## Kevin Roberts, Food and Beverage Director

To the Members of LCC,

I would like to take a moment to thank Ray Tugend and the Board of Directors for allowing me to join the team here at Lancaster Country Club. I spent the prior year as a member here at the club, and like you, I grew concerned with the turnover we were seeing in Food & Beverage. When the Director's role once again became vacant, it was an opportunity I could not let pass. I have spent 15 plus years in the F&B industry working every position from dishwasher to Director of Operations. Most recently I served as an Operator and National Trainer for Sonic Drive-In restaurant brand over a 7 year span. Prior to that, I was working at Nags Head Golf Links in the Outer Banks of North Carolina.

I love this club, not only for what it is, but what it can become. I am dedicated to help stabilize this department. My priorities are to train staff members, implement processes, and provide the best dining experience possible for each and every one of you.

For those of you I have met, thank you for welcoming me with open arms. I look forward to serving each one of you and your feedback is not only welcome, but vital to the future of Food & Beverage. Let's have a season filled with straight drives and delicious meals.

Welcome our New Members  
to Lancaster Country Club!

### DRESS CODE REMINDER

Over the past couple of months there has been a growing number of dress code violations within the clubhouse. As we are much more lenient with permitting clean and presentable denim all other areas of the dress code must be adhered too. It is also the responsibility of the members to inform their guests of the club's dress code. Moving forward we will be forced to deny service to any member or guest whom is in violation of any portion of the dress code. Thank you for your cooperation with this policy.

### CLUBHOUSE

Golf attire will be in accordance with Country Club Standards. Men must wear shirts with collars, which include turtlenecks and mock turtlenecks, at all times. Shirts must always be tucked in. (Women's tops designed to be worn on the outside are permitted. All women's tops must have either a collar or sleeves.) Women are encouraged to be stylish and conservative. Clean, non-ripped and form fitting jeans/denim are permitted. Hats are to be removed upon entering the building. No swim or beach wear is permitted inside the Clubhouse.
