

## North MS Research and Extension Center

January 14, 2016 • 5421 Highway 145 S • Verona, MS

Join the Mississippi Turfgrass Association this winter for our 2016 Road Show Seminar. We are offering educational sessions on the most current topics in turfgrass management by the industry's top researchers and professors. Plus, you will be able to earn pesticide certification points as well as other CEUs. Register today and we'll see you On the Road!

Suppliers, we will also offer an opportunity to showcase your company and products at the Road Show Seminar. Tabletop exhibits will be available at each seminar; however space is limited. We will take requests on a first-come, first-serve basis. These sponsorships are \$150 per seminar and will include a table, two chairs, two name tags and lunch.

While the weather allows, we encourage you to bring your entire crew for an economical, full-day of education on the most common turfgrass topics. Complete your registration form and mail it to the MTA office today! Registration includes the educational sessions, handouts, breaks and lunch. We look forward to seeing you On the Road!
