

Beginner GOLF School

The
ACADEMY
at
Oakmont

May 21, 2017 from 9am-4pm

This is for you if you are a new golfer or advanced beginner.

The morning session will be focused on skill-building. The afternoon session will be on the course.

The morning session

- the basics of putting, chipping and pitching
- key concepts of pre-swing and in-swing fundamentals
- how to make solid contact each time
- how to get the ball up in the air

On the course

- types of shot needed on the course
- a few basic rules and etiquette
- how to get ready for your shot
- ideas on how to stay in the game and stay in the game when you play

About the school

This school is for you if

- you want to learn from former touring professionals who are excited to help you learn golf
- you enjoy learning in a group
- you want to get to know golfers who plays at your level
- you want to play more golf
