

Beginner

Junior Golf Program

***Basic introduction to golf
for boys and girls 10 years and up.***

This program is to introduce the game and sport of golf to juniors. Most important how to have fun while learning the game.

Coverage

Pre swing basics, learning the full swing, short game, putting and how to practice to improve.

We will cover basic rules and etiquette of golf.

This is a five day program each session is private one on one learning session that will last (60) minutes per session.

Costs: \$520.00

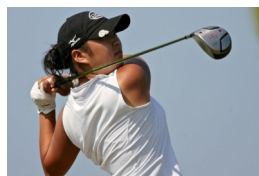

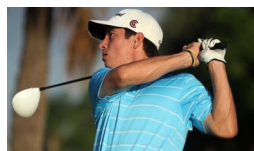

Advanced sign-up required

***** We can customize this program should you have additional juniors who would like to join this session.***

Questions should be directed to

Mike Calbot at 239 482 0900

Or mike@golfdoctorusa.com

Intermediate

Junior Golf Program

Recommended for junior

boys and girls who shoot 98 and under.

The intermediate program is designed for juniors who are already playing and are looking for total game improvements. This program is focused on lowering your scoring average through better ball striking consistency and distance. We will place a strong emphasis on short game skills, bunker play, putting and intermediate wedges.

This is a five day one on one private learning program each session will last (60) minutes.

Costs: \$520.00

Advanced sign –up required

Our goal for all junior golfers is to introduce them to life skills through the game of golf. The skills we will teach in all of our junior programs go far beyond just golf !

Advanced

Junior Program

***This is open to any boy or girl
with a handicap of 10 or less.***

This program is designed for competitive junior golfers who are currently competing in local, national and international events or on high school teams. This advanced program will be working on all three levels, the physical side of golf, the mental side and the technique side of golf. Sessions will be five (2) hours of intense training on specific areas to take them to the

next level of golf performance.

This course includes on course training.

This program is 10 hours over 5 days.

Cost \$1,500.00 per junior

Private Golf Instruction with Mike Calbot

We offers private video golf sessions
for juniors of all skill levels.

All private instruction is recorded on a DVD
for take home study and for future reference.

This is the recommended way for a junior to
advance quickly as the focus is on the
specific needs of that individual. Junior
prices are at 40% discount off adult prices.
