Interlocken Junior Golf Camp

Operation 36: Ages 8-14

Dates: June 9th through July 28th, 8 weeks in total

Time: 8:00am to 11:00am

Operation 36 is a program focused on PLAYING FOR SCORE. The goal for every single golfer will be to shoot a score of 36 or better for 9 holes. Everyone in the program will start at a yardage of ~25 yards per hole for the first match. Those players that shoot a score of 36 or better will move back to 50 yards for the next match, then out to 100 yards and so forth. **For those returning Operation 36ers, we will be starting them off at the yardage they left off at last year.** For example, if your player successfully scored 36 or better from 25 yards, they will begin the 2020 season at 50 yards.

With a focus on PLAY and SCORE, this program gives the students scoring goals, and more importantly a REASON to practice. Each match is recorded in the **Operation 36** Mobile App, which allows parents and players to track scoring progress and practice.

Each Wednesday of the program will include both a 9-hole match for score, **as well as one hour of instruction/practice on alternating weeks.**

Cost: Interlocken Members and previous Junior Golf Participants: \$350

Non-Members: \$400

For Operation 36, all Juniors will play 9 holes EVERY week, but will receiving instruction after on alternating weeks. Please let me know if you prefer instruction to stay for instruction on ODD weeks (weeks 1,3,5,7) or EVEN weeks (2,4,6,8) or put EITHER if you do not have a preference.

Operation 36 Instruction weeks (Odd/Even/Either):

For Operation 36, we understand that some of the golfers have friends in the program, we will do our best to accommodate instruction weeks to match them up, as well as on course pairings when possible. Please note, on course pairings can be very difficult, and sometimes your child may not get paired up with his or her friends every week but I do try create pairings that make sense with regards to age, gender, skill level, and friend groups.

Special Requests (eg. Our child is friends with _____ and wants to get instruction on the same week):

For PGA Junior League, I will contact you with an access code and website to register for our league, although the PGA Junior League is Open to players 13 and under, I'd like to have a conversation with you prior to registration to discuss your child's availability for matches, as well as their skill level and experience.
