He amazed Johnny Carson, Oprah and Regis Philbin when he appeared on their TV shows, and he promises to amaze you, too! You don't want to miss this show!"

## Comedy Mindreading and ESP Show

Mark Stone's MENTALMANIA is the funniest mindreading and E.S.P. show in America today. Mark never fails to astound audience members with his ability to read minds, make predictions, and "see" with his fingertips while blindfolded. He leaves audiences shaking their heads in disbelief when he demonstrates super memory, clairvoyance, and telekinesis. Not only does Mark amaze everyone with his uncanny abilities, he keeps the audience laughing throughout the show. It's a fun and thought-provoking entertainment experience.

**Mentalist Mark Stone**

In order to insure audience participation, the Dinner Buffet will end at 6:30pm and all plates will be removed from tables at 6:45pm. The Show will start at 7:00pm

**This year's Oasis' "Welcome Back Member Party" will feature Mentalist Mark Stone performing on Saturday, October 30th at the Oasis Grille Room. Cost per person is \$20. Cocktails & Hors d'oeuvres 5:30-6:45. Seating begins at 6:45pm for 7:00pm show.**

## Course Superintendent, Scott Polychronis

With a productive summer behind us, we moved into what appears to look like a very successful over-seed. The weather conditions cooperated except for the hot temperatures hovering around the first half of September. The good news was that the monsoon flow from the south never reached here and the winds stayed light and variable which always helps the

over-seed process dramatically.

We hired a company to over seed the Canyons course which utilized a drop-type seeder versus the conventional rotary-type seeder. Drop seeders set closer to the ground and yield a more consistent and uniformed over-seed. The other advantages are the ability to lay seed under windy conditions, which usually is the case during overseed. Overall the process completed on the over-seed for the Canyons was much less labor and a quicker application.

Thank you for your help and consideration. Both courses look immaculate from Oasis members repairing their divots and ball marks. Our “divot dude” staff members will also be out on the course each day to fill-in divots, ball marks and clean tee boxes up as well. We look forward to keeping this course in excellent condition throughout the entire golf season.

With brand new grass still trying to strengthen from the over seed, here are some suggestions to help the turf along during the maturation process;

- \* **Always follow cart signs and roped areas to help manage the cart traffic more effectively.**
- \* **Two carts per foursome to lessen cart wear & tear.**
- \* **Stay on the cart path as long as possible until approaching golf ball. Concrete does not get destroyed as easily as turf does.**
- \* **Always be mindful of wet, thin, and bare areas on the fairways that are not conducive to cart traffic.**
- \* **Never drive up onto a green, collar or tee box, especially on steeply sloped areas.**
- \* **Avoid abrupt stops and sharp turns that cause skidding**
- \* **Please check with the golf shop if you plan on going out in the middle of the course, especially in the mornings.**

## Oasis Men's Golf Club (OMGC)

Our season is getting underway with many players returning. Our first main competition will be our Member-Member Tournament which will be held November 13th & 14th (Horseshoe on the 12th). Our elections will be held on 11/4 during our stag night where we will announce the winners from all the flights of the Member-Member. We expect there will be 80 members (40-teams) competing in this event. Signups are currently being accepted for this event with the deadline being October 31st.

We have added a new event this year which will be our Best Ball Classic. We expect at least 64 players to compete as 32 teams in a 2-day event. 8 flights of four teams will be whittled down to the top team in each of the 8 flights for a playoff to determine a champion. This new event will be held December 11th-12th.

I think I can speak for most of our members, and we have only played the Canyons since overseed but I think most would agree that the Canyons is in great shape and we are looking forward to a wonderful fall and winter season.

## Director of Golf, Randy Tickner

I would like to welcome everyone back for the beginning of the 2016-17 golf season here at Oasis Golf Club in Mesquite. We will have quite a few golf/social events for the fall season including Valley Rally, Nuts & Bolts, Kokopelli, OMGC Member/Member, OMGC Stag Nites, OWGA Opening Luncheon, and my favorite the Member Welcome Back Party.

All these events will happen before Thanksgiving which makes the next six weeks go by very quickly. I would like to personally thank Scott Polychronis and

his staff for the tasks they have been doing both on and around the golf course. If you haven't played either course after overseed yet, they both have great playing conditions. Mother nature did cooperate as well with temperatures cooling off considerably in the last 30 days.

As you may or may not have heard, I will be retiring at the end of the calendar year. Kirk Lee, who is president & CEO of Oasis will be assuming the majority of the responsibilities.

## Oasis Women's Golf Association (OWGA)

The beginning of the new season for the OWGA starts this Tuesday, October 11th. The format on the Palmer course will be a team scramble starting at 9am.

If you would like to be a member of the OWGA, please fill out the application form at the Oasis website under the OWGA section.

Page 4 outlines the fall schedule for the OWGA through the end of the year. Like last year, you will be able to sign up online each week or at the ladies board in the member's lounge.

The OWGA is once again sponsoring the 6th annual Valley Rally Sunday, October 30th on the Canyons Course. This tournament always fills up fast so please don't hesitate to sign up your 2-person team. You may also choose your playing partners as well for this tournament.

A new twist to the Valley Rally will be the **use of wider holes**. The competition will be a 2-person scramble utilizing a percentage of each player's handicap.

Hole sponsorships are also available in the golf shop or online on our website under the section "2016 Valley Rally" on the Oasis' homepage. Member entry is \$40/player. Non-Oasis members are \$65/player. This fee does include the BBQ after the round as well as tournament prizes and tee prizes. Tournament is limited to the first 62 (2-person) teams. Tournament is a 9:30 shotgun start on the Canyons course. We hope to see everyone there!

**Last year the 5th Annual Valley Rally competitors and sponsors raised over \$15,000 to benefit the local "Mesquite Cancer HELP Society" (MCHS). This year we hope to raise as much or more like we have each consecutive year. Thank you for your continued support in this very exciting and beneficial tournament to help out both cancer survivors and patients. Don't forget to wear your PINK!**

**We welcome our newest Oasis members to the club this fall:**

*Gordon (Gordo) & Cathy Schiring (not pictured)*

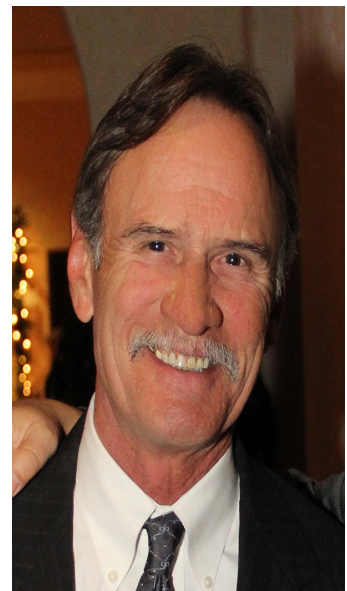

*Tim & Vicki Chervenak*

*James & Beverly Muniz*

*Peter Banks*

*William Tarleton*
