# Mesquite Sunrise Rotary Foundation

There are a number of advantages to having your community's scholarships from the Mesquite Sunrise Rotary Foundation. Affiliation with us means local donors have the opportunity to donate and receive a tax deduction. The Rotary Foundation is a 501c (3) tax-exempt organization.

Rotary International is the world's first service club with more than 1.2 million members in 33,000 clubs worldwide.

Rotary Foundation members are volunteers who work locally, regionally and internationally to combat hunger, improve health and sanitation, provide education and Job training, promote peace and eradicate polio all under the motto

**"Service Above Self"**

The Mesquite Sunrise Rotary Foundation is aggressively acting in all of the above goals and principles. We sponsor many projects each year here in Mesquite with a priority on the youth of our city.

This tournament is run by volunteers only (no one is paid) and all proceeds from the event are distributed locally.

**MESQUITE READS**

What if we could say in great confidence in our town all of our children are capable readers by the 3rd grade? What would that mean to our town, what would it mean to those children and what would it say about us as a community?

Mesquite Reads is an intensive summer reading program for kindergarten, 1st and 2nd graders who are reading below grade level. In order to provide a summer school session, the school has to open for an additional 5 weeks which means additional funding for teachers, supplies, and transportation. Unfortunately, the funds for a program like this are not in the school's budget. The Eureka Community Initiative, along with strong support from the community has funded this project for 2014 and 2015, but funds are needed for the 2016 session. With the support of community, this project can continue to positively impact our young students and our community.
