Champions Run is a private 18-hole course located in the Northwest part of Omaha, Nebraska. Opened in 1992, Champions is a very well-respected home to 400+ golf members with an extensive waiting list. The membership loves the course, the club and the culture.

Champions Run is pleased to announce the opening of the position of Assistant Superintendent. Under the direction of the Director of Agronomy and the Golf Course Superintendent, the Assistant Superintendent will help provide consistent tournament-like conditions every day. The previous assistant has moved on to a superintendent role, and this position is a great spot for an individual who wants to learn, grow and move on to be a superintendent in the future.
