

Albion CC

## Golf Course Superintendent

Albion Country Club- Albion, Nebraska

<https://albioncountryclub.com>

### Course:

Albion Country Club is a semi-private 9 hole golf course and is the Gateway to the Sandhills. Members and guests enjoy spectacular dining while looking out to a breathtaking view of Ruby's River. Our many amenities include: driving range, chipping and putting green, PGA certified instruction, full service Golf Shop, outings, receptions, and gatherings both small and large. Albion Country Club will exceed your expectations and help you create lifelong memories.

### Job Overview:

Responsible for operation of the golf course and maintenance. The responsibilities include: turf grass/plant material maintenance, personnel management, financial management, member relations, scheduling/maintenance on irrigation systems, pesticide applications, related recordings, and compliance of regulatory issues. The Superintendent works to create an environment where staff is involved and work-oriented, with open communications and respect for themselves, members, guests and the property

### Basic Functions:

- Responsible for all phases of Golf Maintenance and Agronomic operations, cost control, and personnel.
- Works with, advises, and coordinates with the Head Golf Professional regarding golf course maintenance.
- Directs and participates in the construction and maintenance of the grounds.
- Designs landscape plans for facility grounds and implements the plan.
- Administers and enforces all Club rules, regulations, and policies for staff.
- Works to operate the golf course in a fiscally responsible and professional manner.
- Must be able to work independently and be a self-starting problem solver.

### Primary Duties:

- Oversees the care and maintenance of the turf, plants, shrubs, trees, and ponds on the facility grounds.
- Directs and assists the staff on the planting of new vegetation, the replacement, spraying, pruning and trimming of trees and shrubs, the preparation of landscaping on course and around buildings.
- Provides detailed annual plan for the various property levels and the designated landscaping areas.
- Manages water usage and irrigation systems.
- Recruits, supervises, retains, and provides technical, operational, and safety training for employees.
- Oversees subordinates in proper and safe operation and maintenance of mechanical and power equipment.
- Supervises and participates in the application and recording of chemical applications (fertilizers and pesticides).
- Supervises all maintenance expenses associated with equipment, supplies, chemicals, and fertilizers.
- Develops annual plans for maintenance and capital improvement projects.
- Maintains records and completes required reporting. Order parts, supplies, and equipment as needed.
- Schedules maintenance practices efficiently and effectively around member play and outings.
- Reports directly to Board of Directors at the Club's monthly meetings.

### Minimum Qualifications:

- Salary is based on experience starting at \$36,500
- Experience in Turf Management (or related field, like agronomy, horticulture, plant science, soil science).
- Valid Driver's License.
- Pesticide Application License

**Application Deadline: December 21st - January 10th**
