

Job Posting: Assistant Superintendent

Course: ArborLinks

Close date: Open until filled

ArborLinks is an exclusive, private-destination golf club located in Nebraska City, NE. We feature an 18 Hole **Arnold Palmer Signature** design which is recognized throughout the Midwest for its outstanding lay-out and pristine course conditions. We are the 1st out of 6 to belong to the Dormie Network (www.dormienetwork.com). Additionally, our ownership is committed to improving the club through yearly large-scale capital improvements. This year's improvements include a new equipment fleet, 5 additional cottages (10 total), clubhouse expansion, and a course comfort station.

Requirements:

The Assistant Golf Course Superintendent will utilize exceptional organization and communication skills to plan, execute, and supervise daily maintenance operations. This position will develop into a role where all aspects of golf course management can be handled by the Assistant with guidance from the Superintendent.

Daily responsibilities include but not limited to:

- Scouting & course set up
- Staff training, supervision, and scheduling daily activities
- Chemical & fertilizer calibrations and applications
- Irrigation scheduling, operation, troubleshooting and repair
- Hand watering & syringing
- Project management, budgeting and purchasing

Education:

- 2 or 4-year degree In Turf Management (or closely related field)
- Nebraska Pesticide Applicator's license or ability to obtain one within 90 days.

Experience:

- 2 or more seasons with increasing responsibilities
- 1 or more quality internships at a high-end facility

Benefits:

- Opportunity to travel to other Dormie Network courses for tournament support, projects, and cultivation
- Health/Dental Insurance, 401K, PTO
- National & Local Association dues
- Golfing privileges

Salary: Highly competitive
