

Job Title: Assistant Superintendent

Club: Platteview Golf Club

Address: 4215 Platteview Rd.

City: Bellevue

State/Zip: NE, 68123

Phone: 402-305-6737

Email: [sprasch@platteviewcc.com](mailto:sprasch@platteviewcc.com)

Education: 2 or 4-year degree in Turf Maintenance preferred

Experience: Previous golf course experience required. Knowledge of chemical applications, golf course irrigation and repair and staff management are a must. Applicant should have a thorough understanding of all equipment operating systems.

Requirements: Responsibilities will include fertilizer and pesticide applications, both granular and foliar. Logging of all applications is required. Maintain and repair all aspects of the irrigation system. Monitor moisture levels on all turf surfaces and water accordingly by hand and/or adjust watering times. The assistant will also be expected to effectively supervise and work with crews up to 10 employees. Nebraska Pesticide Applicators License is required and must be obtained within 3 months of employment. The assistant must insure the housekeeping, cleanliness, and organization of the maintenance facility and storage areas. The assistant will update and communicate with the superintendent daily all aspects of the golf course. We are looking for someone that is passionate about the turf industry and is aspiring to become a superintendent themselves.

Salary: Negotiable based on experience

Benefits: Paid dues to local and national associations, Health and Dental, 401K, Uniforms, Golfing Privileges and discounted meals

Closing Date: October 2018

Comments: Platteview Golf Club is a private, member owned, 18 hole golf club located 15-20 minutes south of Omaha, Nebraska. We are managed by Landscapes Unlimited Golf Group based out of Lincoln, Nebraska.
