

Assistant Superintendent
CapRock Ranch Golf Club

CapRock Ranch Golf Club is a new, private 18-hole destination golf course located in the heart of the Nebraska Sand Hills. CapRock Ranch is newly constructed by well know golf course architect Gil Hance. The 2021 golf season was the 1st year CapRock Ranch was open for golf, with construction finished in 2020. Golf Digest ranked CapRock Ranch Golf Club best new golf course of 2021. We are located 15 miles South of town from Valentine, Nebraska.

The Assistant Superintendent will play a key role in the management team. Looking for someone that is passionate about the golf course maintenance industry. The ideal candidate will be highly motivated, reliable, eager to learn, excited to lead and motivate staff as well as having fun and creating a fun and positive work atmosphere.

This position would be great experience for a young individual interested in gaining experience at private golf course!

Assistant Superintendent responsibilities will include:

- Applying fertilizer and pesticide applications
- Leading GCM staff and projects.
- Irrigation and drainage installation, troubleshooting, and repair.
- Water management on greens, tees, fairways, etc.

Experience Requirements

2-3 years of turfgrass management experience.
