

Fremont Golf Club in Fremont Nebraska is seeking a motivated and detail-oriented Assistant Golf Course Superintendent to join our team. The Assistant Superintendent will play an important role in maintaining the highest standards of golf course conditioning and presentation for our members and their guests.

This opportunity will be available 02/01/25 and will be closed 4/30/25

Assist the Golf Course Superintendent and Director of Agronomy in all aspects of golf course maintenance including:

- Overseeing daily turf maintenance such as mowing, irrigation and moisture management, fertilization, and cultural practices.
- Implementing and monitoring pest and disease control programs.
- Supervising and training new and experienced staff members.
- Maintaining accurate records of all activities and chemical applications.
- Ensuring compliance with all environmental regulations.
- Proactively identifying and, if possible, resolving current and potential challenges.
- Participating in professional development opportunities.
- Performing other duties as assigned.

Qualifications:

- Prior golf course experience with a strong knowledge of turfgrass and management practices.
- Experience with fertilizer and pesticide calibration, applications, safety, and proper record keeping.
- Excellent written and oral communication, interpersonal, and organizational abilities.
- Nebraska Pesticide Applicators license or obtainment of one within the first 90-days of employment.

Benefits:

- Very competitive salary dependent on experience
- Yearly Holiday bonus and insurance reimbursement program
- Yearly performance bonus
- Golf privileges
