Eagle Run is an 18-hole public golf course located in Northwest Omaha. The golf course consists of 2-9 hole courses one of them being a par-3 executive course.

Job Overview:

Responsible for operation of the golf course turf care operation and maintenance. The responsibilities include: turf grass/plant material maintenance programs, property/asset management, personnel management, financial management, scheduling/maintenance or irrigation systems, and pesticide applications.

Basic Functions:

- Responsible for all phases of Golf Maintenance and Agronomic operations
- Reports to the Director of Agronomy
- Directs and participates in the construction and maintenance of the grounds
- Must be able to work independently and be a self-starting problem solver.

Primary Duties:

- Oversees the care and maintenance of the turf, ornamental plants, shrubs, and trees on the facility grounds.
- Recruits, supervises and retains maintenance staff. Conducts employee performance evaluations
- Supervises and participates in the application and recording of chemical

applications (fertilizers and pesticides) on the Course grounds in compliance with all local, state, and federal regulations.

- Supervises and controls all maintenance expenses associated with Golf Course Operations, including payroll, supplies, chemicals and fertilizers
- Maintains records and completes required reporting. Order parts, supplies and equipment as needed
- Coordinates snow removal

Knowledge & Skills Required:

- Knowledge of management and maintenance of greens, fairways and roughs.
- Basic golf course mechanic skills
- Knowledge of use and operating standards of equipment and tools used in golf course construction and maintenance work.
- Skill in recruiting, supervising, training, monitoring, evaluating and motivating personnel.
- Interpersonal skill to resolve conflict and work with supervisors, employees, members and the general public.
- Knowledge of safe use, mixing and application of chemicals and commercial products.
- Knowledge of the game of golf.
- Ability to anticipate personnel, equipment, and material requirements related to golf course maintenance and repair assignments.

Minimum Qualifications:

- 2-5 years experience as a Golf Superintendent or Assistant Superintendent
- 2-year Degree or Certificate in Turf Management
- Basic mechanic Skills
- Valid Driver's License.
- Nebraska Pesticide Application License or ability to obtain one within 6 months
- Desire to be a Member of the Golf Course Superintendents Association of America

-Salary is TBD and negotiable

-Benefits include:

- Available health, dental, eye and life insurance
- Paid time off
- Uniforms
- Clothing allowance
- Partial cell phone reimbursement
- GCSAA and NGCSA dues
- Continuing education
- 401k after 1 year
