

Harlan Golf and Country Club

Course Superintendent

Harlan Golf & Country Club is a semi-private, 9-hole golf course in southwest Iowa on Highway 59 in-between Omaha and Des Moines. Our course is over 100 years old with many tall trees that offer fun, but a challenge to the golfer. We offer a great clubhouse with a restaurant and full bar.

Primary Duties

- Operate and maintain the course in a fiscal manner.
- Manage the agronomy and chemical applications and maintain accurate recordkeeping.
- Work independently and be an effective problem solver.
- Manage the irrigation system.
- Manage and supervise part-time employees regarding course maintenance.
- Perform general maintenance to equipment.
- Ability to work well with others efficiently while working around member and tournament play.
- Work with the Board on budget and supplies needed.
- Attend monthly Board meetings with updates.

Qualifications and Compensation

- Salary is based on experience – range from \$40,000-\$55,000 based on experience. Housing may be provided rent-free.
- Experience in turf grass management.
- Pesticide application license or ability to obtain one.
- Golfing and social privileges included.
- Discounted food during working hours.
