

Hidden Hills Country Club, Geneva Nebraska

We are looking for a Course Superintendent to manage our 9 hole golf course. We have a brand new irrigation system installed a few years ago. The course is in excellent shape. This is a salary position with a chance for a year-end bonus. This is a hands on position responsible for the care and maintenance of the golf course as well as the irrigation system, golf carts, and mowers.

If interested or have questions you can email your resume to Thomas Jones at t_jones05@hotmail.com or call him at 402-759-0462.

We are looking to hire before the start of this year and would like to have someone hired by March 1st.
