

Iron Horse Golf Club

Equipment Manager Position

Iron Horse Golf Club is seeking a detail oriented and hardworking Equipment Manager to join our Golf Maintenance team. This is full time year round position. The Equipment Manager will report directly to the golf course Superintendent. The Equipment Manager is responsible for all maintenance programs pertaining to the equipment used by the golf course. This includes but is not limited to keeping a preventative maintenance program built around factory recommended maintenance schedules, documenting and record keeping of all work performed on each piece of equipment, maintaining inventory of commonly used parts, ensuring all safety devices are in place and functioning properly, and daily checks of equipment while in operation and on the course. The Equipment Manager places safety as a top priority and is responsible for maintaining a clean work area and maintenance building. The Equipment Manager will be asked to help with on course task in the shoulder seasons when seasonal staff is gone.

The successful candidate will have a good attitude and will be someone willing to work as a team! Excellent organizational skills and housekeeping required. We want someone who prides themselves on details and sees the big picture of our operation. We are looking for someone to not only maintain equipment, but someone who wants to take pride and ownership in the whole maintenance facility.
