**Career opportunity as a Commercial Turf Salesperson**

**We have an open position for a salesperson to work in the Commercial Turf Division at Midwest Turf & Irrigation. This person would act as a resource to accounts in the golf, sports fields and grounds industry in our Northern territory (South Dakota, parts of Iowa and Nebraska). The job requires an ability to create a partnership with industry professionals by being a resource for their equipment needs. The salesperson's day would consist of demonstrating, selling and supporting the Toro product line along with several allied lines. The salesperson needs to display a high standard of professionalism and ethics when representing Midwest Turf in sales calls and must be able to quickly adjust to whatever the next phone call requires. Midwest Turf provides a great working environment for its many long-term employees. Benefits include base pay with commission, company truck and trailer, expense account, health care and disability insurance, 401K match and profit sharing, generous vacation days and holidays.**

**Please send resume to:**
