

## Assistant Golf Course Superintendent

Oak Hills Country Club • Omaha, Nebraska

### Course Description

Founded in 1968, Oak Hills Country Club is a private, 18-hole facility located in Omaha, Nebraska. The club is known for outstanding course conditions and a family-friendly atmosphere. Oak Hills maintains a full membership of approximately 400 golfing members and 325 social members, with nearly 28,000 rounds played annually.

The golf course features bentgrass greens, tees, and fairways, a Toro Lynx irrigation system, and a modern, well-maintained equipment fleet.

### Position Summary

Oak Hills Country Club is seeking a motivated and detail-oriented Assistant Golf Course Superintendent. This hands-on leadership position reports directly to the Director of Agronomy and the Golf Course Superintendent and offers an excellent opportunity for professional growth in a team-oriented environment that values both excellent conditions and work-life balance.
