

Course Description: Founded in 1968, Oak Hills Country Club is a private 18-hole facility located in Omaha, Nebraska. The Club is well known for its outstanding course conditions and family-friendly environment. We currently have a full membership consisting of 400 golfing members and 325 social members. We have a very active membership, doing about 28,000 rounds per year. The course features bentgrass greens, tees and fairways, Toro Lynx irrigation and a John Deere equipment fleet.

Job description: The Assistant Superintendent will report directly to the Director of Grounds and the Golf Course Superintendent. This is a hands-on management position. The assistant superintendent will be involved in all areas of golf course maintenance, including but not limited to: employee management/ training, chemical and fertilizer applications, irrigation repair, daily setup, hand watering, snow removal and many other golf course related tasks. This is a great opportunity for someone looking to advance within the turfgrass industry and be part of a team-oriented environment. We work hard to produce the best possible conditions for our members, while also valuing a strong work-life balance.

Education Requirements

Bachelors or Associates degree in turfgrass management or closely related field preferred.

Experience requirements:

3 years golf course maintenance experience

Job Benefits:

Medical and dental, 401k with company match, paid time off, discounted meals, uniforms, golfing privileges, dues paid for state and national associations, local seminars and conventions.
