

Riverside Golf Club - Assistant Superintendent

Riverside Golf Club is a 18 hole private facility located in central Nebraska in a city of 50,000. We are a very progressive club just having installed a brand new HDPE irrigation system with Toro Lynx Smart Satellites and Infinity heads. Our fleet consists of all recent Jacobsen, Toro and John Deere equipment.

Assistant will gain experience in irrigation, chemical applications as well as mechanical, welding and building skills. The ideal candidate must be highly motivated, reliable and willing to work overtime. Must have a strong attention to detail and be passionate about the golf course maintenance industry and the game of golf.

Requirements: 2 year degree in horticulture or minimum 3 years course experience.

Must possess or obtain Nebraska Commercial Applicators license

Benefits include health/dental/vision insurance, 401k, clothing and meal allowance. Dues paid to state and national organizations.

Job Type: Full-time

Pay: \$40,000.00 - \$50,000.00 per year
