

## **The Players Club**

Position: Assistant Superintendent

Course: The Players Club  
12101 Deer Creek Drive  
Omaha, NE 68142

The Players Club is Omaha's only 27 hole private golf club which is owned and managed by Landscapes Unlimited. The golf course features bentgrass greens, tees and fairways as well as a practice range and a short game practice facility. We just completed renovation of all greenside bunkers with Capillary Concrete and new sand. We will continue with fairway bunker renovation in 2019.
