Golf Members:

Bonita National has members who enjoy playing only 9 holes of golf. Our year-round guidelines require that 9-hole tee times be booked after 2pm. In the summer, after 2:00 pm usually means oppressive heat and rainstorms.

To better accommodate our members, the Golf Committee and Board of Directors have approved the following:

On Mondays through Fridays from now until September 20, we will allow anyone interested in playing 9 holes the opportunity to play starting a 10:00 am. 9- hole tee times will be available via the Chelsea booking process.

This will allow those who play 9 holes a better chance of being able to play without being rained out, and much better conditions in which to play.

Sincerely,

Board of Directors
