MESSAGE FROM THE BOARD OF DIRECTORS

- We would like everyone to be aware, if they are not already, that the third phase of the median strip renovation has been altered significantly in order to keep the cost down, to satisfy FPL easement requirements, and to satisfy commercial permits. The trees that are there will remain, but the shrubs underneath will be removed and replaced with flowering plants as used in the first and second phases of the plan. We do plan on lighting that section as well.
- Additionally, the Royal palms being used are what are called self-cleaning, which means that the fronds routinely fall off naturally. However, in this case, the dead or dying fronds are being held up by the wooden supports which are scheduled to remain in place for two years, so sometimes we have to call on our landscaper to remove them, and the landscaper, as always, has been very responsive.

Circus Day

Circus Day that was held on Saturday, July 23, 2022 was a great success!

The recreation center became the BIG TOP with beautiful decorations, balloons and treats. Aaron Watkins provided an informative and entertaining presentation about becoming a clown. He taught the audience about the different types of clowns and described his humanitarian work through the Circus Arts Conservatory. Afterwards, there were those in audience who may have wanted to run away and join the circus.

We're all looking forward to the next Speaker's Series presentation! Suggestions are welcome.

The Activities Committee needs your help. Additional volunteers are needed to assist with upcoming events. Please contact Heidi Neville at heidi.neville@yahoo.com or Meryl Schreiner at yankeemom12@aol.com. All activities are well organized and provide wonderful experiences for the children and families in our Stoneybrook community. Your help is highly appreciated.

Oak Trees and Shrubs

Please keep it in mind that oak tree also needs to be trimmed, with the canopy lifted to 8' over the sidewalk and 14' above the roadway. Also the viburnum hedges that run parallel to a street must be trimmed to no taller than 6' or wider than 4' and either flat on sides and on top or slightly rounded. Debris must be in bundles of no more than 4' long, weighing no more than 50 lbs. Debris is removed on Wednesdays.

THE WONDERFUL WORLD OF BOOKS

The Stoneybrook Book Club will meet on Thursday, August 4th in the Rec Center at 1:30pm to discuss "American Dirt" by Jeanine Cummins. Lydia, a middle class woman and Luca, her 8 year old son are being hunted by a Mexican Cartel and begin a perilous journey North to safety. The LA Times calls it a heart-pounding, page-turning, can't-put-it-down, stay-up-til-3 a.m., adrenaline-pumping story...that examines, with sensitivity, care, and complexity of thought, immense, soul-obliterating trauma and it's aftermath.

Please join us for what will surely be a very lively discussion. Should you have any questions or would like advance notice of future selections, please call John Donovan at 978-834-6171.
