

Silver Oak Sunday Men's Club 2017 FedEx Cup

Definition – The Silver Oak Sunday Men's Club (SOMC) 2017 FedEx Cup, named after our club's founding member Fred Coons, is a season long point's race event.

The 2017 FedEx Cup season begins on March 19th and run through September 3rd. Points will be awarded every week based on how many players are in the field (See points chart below). The way the points are distributed is similar to the way the PGA Tour does it. Everyone is assured of earning points even if they did not win or place in the money that week. Each flight plays for first place points.

The point leader as of September 4, 2017 will be awarded the 2017 FedEx Cup. In the event of a tie in points, the FedEx Cup 18-hole playoff on September 10th will be used for a tie break including extra holes if necessary.
