Carson City Sunday Men's Club 2018 Fred-Ex Cup at Silver Oak Golf Course

Definition – The Carson City Sunday Men's Club (CCSMC) 2018 Fred-Ex Cup, named after our club's founding member Fred Coons, is a season long point's race event.

The 2018 Fred-Ex Cup season begins on March 18th and run through September 3rd. Points will be awarded every week based on how many players are in the field (See points chart below). The way the points are distributed is similar to the way the PGA Tour does it. Everyone is assured of earning points even if they did not win or place in the money that week. Each flight plays for first place points.

The point leader as of September 2nd, 2018 will be awarded the 2018 Fred-Ex Cup. In the event of a tie in points, the Fred-Ex Cup 18-hole playoff on September 09th will be used for a tie break including extra holes if necessary.

29	42	29	43	29	86	29	112
30	41	30	42	30	84	30	110
		31+	41	31+	82	31+	100

For the 2018 season, only whole points will be awarded. .49 and under will be rounded down and .50 and higher will be rounded up to the next whole number

Carson City Sunday Men's Club at Silver Oak 2018 Tournament Formats

On the 2018 schedule you'll find the date, time of start, type of start (Tee Times or Shotgun), format, handicap percentage and Fred-Ex Points to be awarded.

Tees

All player's play from the BLUE TEES unless the format on the scorecard dictates otherwise.

Handicap Percentage

This is the percent of your handicap (based on the current revision) that will be used for the particular date and format.

Low Index

Your low index from the previous 12 months of the current revision will determine your handicap. Low Index handicaps are used for bigger events and/or majors.

Fred-Ex Points

This is the amount of points offered each week based on the format. Standard weekly events have a regular point value. Monthly Masters are double the regular point values. The two majors (Pres. Cup & Club Championship) have an even bigger point value than the double point values.

FORMATS

Handicap Stroke Play

The total strokes taken for 18 holes, in accordance with the rules of golf.

Tips (Black Tees)

All players tee off from the black tees for the entire round.

2 Man Scramble

In a scramble, each player tees off on each hole. The best of the two tee shots is selected and both players play their second shots from that spot. The better of the second shots is determined, and then both play their third shots from that spot, and so on until the ball is holed.

4-Man 2-Net Best Ball

Each player, on the 4-man team, plays his own golf ball the entire round. Each team should have four 18 hole scores on the scorecard. The two lowest net scores, or best balls, from each hole serves as the teams' score for each hole

Modified Stableford

Point values are given based on the net score for each hole.

Double Eagle 8 pts

Eagle 5 pts

Birdie 3 pts

Par 1 pt

Bogie -1 pt

Dbl Bogie or worse -3 pts

4 Man Scramble

In a scramble, each player tees off on each hole. The best of the four tee shots is selected and all players play their second shots from that spot. The better of the second shots is determined, and then all play their third shots from that spot, and so on until the ball is holed.

White/Blue/Black Tees

Like individual stroke play with one exception. A color coded scorecard provided designates which tee box you hit from on specific holes. i.e. 1st hole – white tees, 2nd hole – blue tees, 3rd hole – black tees, 4th hole – back to white tees and etc.

2 Man Best Ball – 1 Day Match Play

Each player, on the 2-man team, plays his own golf ball the entire round. Each team should have two 18-hole scores on the scorecard. The low net score, or best ball, from each hole serves as the teams' score for each hole. Scorecards are matched, by a draw, and scored in a match play bracketed format.

18-Hole Par 3's

All 18 holes will be set as Par 3's resulting in a par 54 course for the day.

You Pick (Red/White/Black)

18 hole Stroke Play. You decide which 6 holes are played from the RED Tees, which 6 holes are played from the White Tees and which 6 holes are played from the BLACK Tees. Handicaps based off of white tees

Monthly Masters A monthly tournament to determine qualifiers for the year end Master of the Masters. Two flights will be determined on the day of the tournament based on those playing. Winner(s) of each flight are entered in the Master of the Masters portion of the playoffs towards the end of the season. If a winner of a previous "monthly masters" wins again, he will win the prize money but the second place finisher will be entered in as the qualifier to ensure a competitive field. If for any reason the winner of a "monthly masters" cannot participate in the scheduled playoffs, the player who came in second for the same flight in that particular month will be entered in the tournament. This process will be followed until the player's spot is filled. The same process holds true for the finals.

Presidents Cup* - (Major)

An eclectic format is a multi-round golf tournament that results in one 18-hole score per player. Players play 2 rounds. The lowest score made on each hole between the two rounds is recorded as their score producing an 18-hole score. Example: in Round 1, the golfer makes a 6 on hole No. 1; in Round 2, a 4 on hole No. 1. That golfer's score for the first hole is a 4. In the event of a tie, a playoff will occur.

Club Championship - (Major)**

A 36 hole cumulative stroke play event that will be played on Saturday and Sunday of the same weekend. Both days will be a shotgun start. Round 1 will be paired with like handicaps. Round 2 will be paired based on Round 1's gross score. In the event of a tie, a playoff will occur.

* In order to play in the President's Cup, you must have played in at least three (3) CCSMC scheduled events.

** In order to play in the Club Championship, you must have played in at least five (5) CCSMC scheduled events.
