| 34 | 10/27/2019 | Tee Time | 9:00 AM | You Pick - 6 Red/ 6White/ 6Black | 100% | None |

Silver Oak Men's Club (SOMC)

2019 Tournament Formats

On the 2019 schedule you'll find the date, time of start, type of start (Tee Times or Shotgun), format, handicap percentage and Fred-Ex Points to be awarded.

Tees - All player's play from the BLUE TEES unless the format on the scorecard dictates otherwise.

Handicap Percentage - This is the percent of your handicap (based on the current revision) that will be used for the particular date and format.

Low Index - Your low index from the previous 12 months of the current revision will determine your handicap. Low index (in past 12 months) handicaps are used for bigger events and/or majors.

Fred-Ex Points - This is the amount of points offered each week based on the format. Standard weekly events have a regular point value. Monthly Masters are double the regular point values. The two majors (Pres. Cup & Club Championship) have 4 times regular point value.

FORMATS

Handicap Stroke Play - The total strokes taken for 18 holes, in accordance with the rules of golf.

Tips (Black Tees) - All players tee off from the black tees for the entire round.

2 Man Scramble - In a scramble, each player tees off on each hole. The best of the two tee shots is selected and both players play their second shots from that spot. The better of the second shots is determined, and then both play their third shots from that spot, and so on until the ball is holed. Team handicap allowance of 35% of A player and 15% of B player.

4-Man 2-Net Best Ball - Each player, on the 4-man team, plays his own golf ball the entire round. Each team should have four 18 hole scores on the scorecard. The two lowest net scores, or best balls, from each hole serves as the teams' score for each hole. Handicap allowance of 90% for each player.

Modified Stableford - Point values are given based on the net score for each hole: Double Eagle (8 pts); Eagle (5 pts); Birdie (3 pts); Par (1 pt); Bogie (-1 pt); and Dbl Bogie or worse (-3 pts).

4 Man Scramble - In a scramble, each player tees off on each hole. The best of the four tee shots is selected and all players play their second shots from that spot. The better of the second shots is determined, and then all play their third shots from that spot, and so on until the ball is holed. Team handicap allowance of 20% of A player, 15% of B player, 10% of C player and 5% of D player.

White/Blue/Black Tees - Like individual stroke play with one exception. A color coded scorecard provided designates which tee box you hit from on specific holes. i.e. 1st hole – white tees, 2nd hole – blue tees, 3rd hole – black tees, 4th hole – back to white tees and etc.

You Pick (Red/White/Black) - 18-hole stroke play. You decide which 6 holes are played from the red tees, which 6 holes are played from the white tees and which 6 holes are played from the black tees. Handicaps based off of white tees

Monthly Masters - A monthly tournament to determine qualifiers for the year end Master of the Masters. Two flights will be determined on the day of the tournament based on those playing. Winner(s) of each flight are entered in the Master of the Masters portion of the playoffs towards the end of the season. If a winner of a previous “monthly masters” wins again, he will win the prize money but the second place finisher will be entered in as the qualifier to ensure a competitive field. If for any reason the winner of a “monthly masters” cannot participate in the scheduled playoffs, the player who came in second for the same flight in that particular month will be entered in the tournament. This process will be followed until the player’s spot is filled. The same process holds true for the finals.

Presidents Cup (Major)* - An eclectic format is a multi-round golf tournament that results in one 18-hole score per player. Players play 2 rounds. The lowest score made on each hole between the two rounds is recorded as their score producing an 18-hole score. Example: in Round 1, the golfer makes a 6 on hole No. 1; in Round 2, a 4 on hole No. 1. That golfer's score for the first hole is a 4. In the event of a tie, a playoff will occur. Rounds are posted as “T-scores” in GHIN. *In order to play in the President’s Cup, you must have played in at least three (3) SOMC scheduled events.*

Club Championship (Major)* - A 36-hole cumulative stroke play event that will be played on Saturday and Sunday of the same weekend. In the event of a tie, a playoff will occur. Rounds are posted as “T-scores” in GHIN. *In order to play in the Club Championship, you must have played in at least five (5) SOMC scheduled events.*

* First round pairings for major championships are according to the usual signup procedure, but first-hole tees will be assigned according to the aggregate handicap index of the group. Second round pairings are by order of finish after the first round (gross scores). Similarly, accumulated FredEx points determine pairings for the playoffs.
