Club Web Portal

With the transition to the Golf Genius USGA Tournament Software, tournament results will be posted to the (SOSMC.golfgenius.com).

We will continue to post results on the clubhouse Senior Men's Club bulletin board

Tournament Schedule and Formats

Club tournaments will be held each Tuesday from April 7, 2020 to October 27, 2020. Click on the calendar under the homepage tab for the 2020 tournament schedule which specifies the tournament format for the day.

Tournament Entry Fee

There is a \$10 mandatory entry fee for the particular game associated with the weekly tournament. A separate \$5 for each optional entry fee for gross and net skins.

Allowable handicap is limited to a maximum of 18 or 1 stroke per hole for net skins. All entry fees will be collected at the table before play begins.

Handicap

A "course handicap" indicates the number of handicap strokes a player receives from a specific set of tees at the course being played to adjust a player's scoring ability to the level of zero (0) handicap golf. A course handicap is determined by applying the player's handicap index to a course handicap table (See <http://cdn.cybergolf.com/images/1587/Mens-Slope-Tables.pdf>).

Playing the Forward Tees

If a player chooses to play the forward tees, he is required to mark such on his membership application and is committed to playing the forward tees for every tournament except Club Championship through out the season. The Silver Oak Senior membership board reserves the right to determine eligibility of player. There will be a separate flight for yellow tee players on I.S.P tournaments.

Score Cards and Posting Scores

1. First and last name (legible)
2. All scores must be dated, signed and attested
3. For holes that are unfinished, post your "most likely score" which is the actual number of strokes taken plus the number of strokes in the players best judgement which would be needed to finish the hole from that position more than half the time. The score for those holes should be preceded by an X on the score card.
4. Incomplete or unreadable cards will be disqualified.
5. Score cards are exchanged prior to play for the Club Championship.

Tournament Results and Payouts

Tournament game winnings are paid out to the lowest net scores for approximately a third of the field in each flight except Club Championship plus \$15 for closest to the pin on two 3 pars. Payouts (except skins) are in scrips redeemable for green fees, merchandise, lessons, food and beverages at the Silver Oak Pro Shop.

Players that submit scores for unfinished rounds or with an X on any hole will be disqualified from the game without refund of the entry fee except for some team events such as 2-man best ball, 4-man 2 best ball and some other team events.

The tournament committee will post the preliminary tournament results for review on the web portal shortly after conclusion of play each Tuesday.

Click the result tab, select the date, results for tournaments and skins games are displayed on separate pages. Reveal individual score cards by clicking on a player's name and click on expand all in the skin's sections for details of each winning skin.

Contact the Handicap Chair if you suspect an error in the scoring no later than noon the following Monday after the tournament. Challenges to a posted score will be rejected if it matches the score on the signed and attested card. Results will become final Wednesday night and you can collect your skin awards the following Tuesday at the pay table.

All USGA and Local Rules

Tournament play will be governed by all USGA and local course rules.
