

# Cedarcrest Women's Golf Club

For more information about our club, email Kathy at [kbdeneui@aol.com](mailto:kbdeneui@aol.com)

You can also "try us out" for a round or two before joining.

We use Golf Genius, a web-based program, for all sign-ups and scoring. If you do want to try us out before joining, do not sign up with the pro shop, please contact Kathy or Judy at [judywol\\_98012@yahoo.com](mailto:judywol_98012@yahoo.com) and please give us at least a 48 hour heads up.

Annual dues are only \$70\* which includes \$36 payment to the World Handicapping system; plus, there is a competition fee of \$2.00 each day that you choose to participate in the daily competition, which we encourage once you have a handicap established. Tournament fees may vary. Due to the recent COVID policies, we are pre-paying competition fees of \$20 at the pro shop, which will cover 10 competitions. When you have a handicap and play an 18-hole round \$2 from the 20 will go towards the payouts for that day. All payouts go on the books at the pro shop and can be used for merchandise, golf cart rental and golf lessons. The money cannot be used for greens fees.

\*If you belong to and pay GHIN fees at another club, you may elect to pay \$35 and become an associate member. If you join after August 1, you would pay half of the member dues plus the full GHIN fee if you don't have a USGA handicap through another club.
