

## Cedarcrest Women's Golf Club

Do you wish you had more female friends to play a round of golf with?  
Are you just learning the game? Are you unsure of the rules?  
Do you want to make new friends who share your love of the game?

If you answered yes to any of the above questions, then consider joining us. We play three times a week, on Tuesdays, Fridays and Saturdays starting at 9 a.m. May 1<sup>st</sup> through September 30. and starting at 9:30 a.m., October 1 through April 30. Our club competition season is April 1 through September 30. You can play on any or all of the days.

We are members of the SCWGA, the Snohomish County Women's Golf Association, which has monthly tournaments at several Snohomish County public courses as well as a County Championship. We also belong to the WSWPLA, the Washington State Women's Public Links Association, which also has monthly tournaments and a State Championship.

By taking advantage of the state and county tournaments, you have an opportunity to play different courses throughout the state at reduced rates, and make new friends while doing so.

For more information about our club, email Kathy at [kbdeneui@aol.com](mailto:kbdeneui@aol.com)

You can also "try us out" for a round or two before joining.

We use Golf Genius, a web-based program, for all sign-ups and scoring. If you do want to try us out before joining, do not sign up with the pro shop, please contact Kathy or Judy at [judywol\\_98012@yahoo.com](mailto:judywol_98012@yahoo.com) and please give us at least a 48 hour heads up.

Annual dues are only \$70\* which includes \$36 payment to the World Handicapping system; plus, there is a competition fee of \$2.00 each day that you choose to participate in the daily competition, which we encourage once you have a handicap established. Tournament fees may vary.

\*If you belong to and pay GHIN fees at another club, you may elect to pay \$34 and become an associate member. If you join after August 1, you would pay half of the member dues plus the full GHIN fee if you don't have a USGA handicap through another club.
