

**Juniper is excited to introduce its new CRM work order system, we are committed to improving any communication issues and are very focused on customer service.**

**The new CRM system makes it very easy us to notify Juniper of any specific landscape requirements or any issues you may have. Below are three ways to communicate:**

**1. Use their portal which you may access via the following link:**

**<https://www.juniperlandscaping.com/crm/clients/login>**

**Once on the website, click register, input your information and select your community – named “Corkscrew Shores”**

**To receive text updates, please select the check box “I would like to receive SMS ticket status updates”**
