We have had a few good days for golf last month! Hope you had the chance to get out on the nice days to play. We have not been able to work a lot outside so that will make us a bit behind but Rick will catch up fast! Take a look at the weekly updates sent out every Sunday and enjoy some of the inside events that Jeff has put together. We started a VIP Merchandise Club for those members who want something extra. You will regret not signing up, so go see the golf shop about the details. We held some social dinner events and we were all excited about the attendance we had! Thank you for your membership and we always strive to make it more affordable and worry free golf!

Rick Durham – Superintendent

The year 2015 has been very wet resulting in higher than normal cart path only rules. The dormant grass and reduced sunlight during the day limits ability to dry out. If any damage to the turf occurs during this period recovery can be extensive. The maintenance team will be adding additional cart signage and ropes in an effort to decrease cart path only and protect the turf.

February can typically be one of our colder months so I would like to revisit frost delays. Now that ground temperatures have fallen frost delays will be more common thru February and into first week of March. Did you know that simply walking on frosted greens can damage the turf? The time for recovery cannot be determined. When there is a delay updates are made hourly so be sure to check in with the pro-shop for the latest update.

Thank you for all your comments and suggestions and as always I can be reached via e-mail at rdurham@wildwoodgreen.com

Jeff Engelhaupt – General Manager

Dear Members,

As we make our way through these colder months we hope to see you **ON** the golf course but if you are not a cold weather player (like myself) we still want to see you **AT** the course! We have many fun and entertaining social events for you to partake in if you can't make it on the course to play a few. Our Thirsty Third Thursday events have taken off since December. We host these events every third Thursday and pair great drinks with tasty food. Enjoy these evenings and by attending you will have the option to purchase directly from the distributor at great discounts! Along with our Third Thursday events we have our Bogey's After Dark dinners, bingo nights and we also welcome back our poker nights. Mindy has done a great job filling in for me as our bingo caller. In January we had record attendance at Bingo night which features roughly seven games of bingo and dinner! Sign up for bingo in February which will be held on Tuesday the 24th and for poker night on Tuesday the 17th. So, even if you aren't up for playing some golf, we have many things to keep you entertained during these chilly days!

Our golf event schedule has been posted to the website along with the Package Event information and Match Play Championship information. Please view and print these documents which will be your road map for the year. As soon as football schedules are released around summer time we will reevaluate the last half of the year and look to move the events that we can to help avoid major conflicts with area schools. Please understand we put these schedules out well in advance of local happenings and dates for our events are not final until roughly two weeks before the event. Please check with the Golf Shop leading up to an event to see if it will need to be moved. Our event schedule for the year also highlights our aerification dates. Our first golf event of the official season will be a package event held on March 28th. We look forward to seeing you there!

Tuesday, February 17th

Wildwood Green Adopt-A-Hole Program – 2014 and 2015

MGA, EMC League, Pratto League, Wild Working Women, WildOats, Wildflowers, Gaggie, Women on Wednesdays,

The purpose of the program is to help upkeep with each hole at Wildwood Green. Member groups and leagues are asked to take extra pride over the holes assigned below but to also help throughout their round on other holes in need. Holes are divided out amongst member leagues and members of these groups are requested to help maintain the appearance and upkeep, report any problems or areas of attention to the Golf Shop, rake bunkers, pick up trash, fill divots with sand and repair ball marks.

Sanding Divots: Sand your divot plus all others within a six foot radius of yours. Be sure to flatten the sand out with your foot.

Raking Bunkers: Whenever passing a bunker be sure to rake what you can. If you have finished a hole early and you are waiting for your partner to finish you should rake green side bunkers being sure to place rake on the inside edge of the bunker (off the grass and in the sand).

Fixing Pitch Marks: Fix yours plus two more while on the green. You should always flatten the mark out first with your putter and place the repair tool behind the highest point of the mark. Always push in towards the middle from the top...never up from underneath the mark.

Cleaning Tees and Filling Divots on Tee Boxes: Any time you are on a tee box pick up broken tees and place them into the square tee collector at each tee marker. If there is no tee collector please notify the golf shop after play. When teeing off on a par three be sure to fill divots in using the sand provided at each tee marker. This is as important, if not more than divots in the fairway being filled.

Reporting Maintenance Needs: Record any information needed with your name and phone number and report it immediately to the Golf Shop following your round. If time does not permit stopping by the Golf Shop fill out a comment card and be as specific as possible. Please leave contact information so we can contact you with any questions!

MGA – #7, #6

Jeff Sgroi – Food and Beverage Manager

January has certainly been a quiet month here at bogeys because of the weather and the frost delays. Our second Thirsty 3rd Thursday was a great time. We had paired up five appetizers with Gizmo Brew Works beer and everybody had a great time! The final pairing, Pumpkin Cheesecake and Stout, edged out the Honey Fried chicken and Beekeeper as the favorite. Our Thirsty 3rd Thursday in February will shift back to wine paired with five different tasty sliders. It will be our most unique one yet and we are looking forward to it. We are now serving draft beer! Come in and enjoy a pint or a pitcher!!

Our After Dark dinner will be Saturday night the 21st. We will start with soup and the main course will be pork tenderloin. Of course Erin's dessert will be fantastic. We will have seatings at 6:00 and 8:00 but be sure to call and make your reservation.

Our Saturday morning breakfast buffets start at 9:00 am and will continue through the end of February. Starting in March, we will shift back to 8:00 am.

Keep the suggestions and comment cards coming! They are very much appreciated. I can be reached at sgroi@wildwoodgreen.com and Bogey's is looking forward to serving you!

Saturday & Sunday Shotgun at 10:00AM with Tee Times Starting at 2:30PM

Rule of the Month

Rule: #11 -Teeing Ground (11-1 ~ 11-4)

Question: Can I move the tee markers if they are in the way of my stance?

Answer:

- (A) The area between the tee markers and two clubs behind the tees is considered the teeing ground.
- (B) Tee markers are deemed to be fixed. If the player moves a tee-marker for the purpose of avoiding interference with his stance he/she incurs the penalty of a stroke.
- (C) If a ball when not in play falls off or is knocked off a tee by the player addressing it, the ball may be re-teeed without penalty. However if a stroke is made and ball falls off the tee the stroke counts but there is no penalty.
- (D) If a player, when starting a hole, plays a ball from outside the teeing ground or plays from the wrong tees the player incurs a penalty of two strokes.
