### Chairman:

Gary Strawbridge

Thank you for all your ideas and support to improve the club.

### Roger Watson – Owner

We are excited about the possibility to convert our greens to Champion Ultra Dwarf Bermuda grass! We are currently working hard to obtain firm bids for all phases of the conversion. We are overwhelmed by the member participation! As of October 29<sup>th</sup> members have committed 43% of the funds to convert the greens. Thank you to those 75 members who have already committed. They clearly see the advantages and benefits these improvements will be long term.

Please return your commitment forms as soon as possible. Members who do not intend to opt into the Champion Club, we will appreciate if you still would return the commitment form stating you are not opting in to commit.

Thank you for being a member! When we get closer to the amount necessary to convert the greens we will send out a timeline for the conversion. Great weather now, play golf!

### Rick Durham – Superintendent

We are entering the time of year when we will experience frost delays. Frost delays occur when frost forms on the turf canopy because temperatures reach or are at near freezing. Turf will sustain injury simply by walking across frosted areas. When this occurs it can be months before the affected area can recover or be repaired. Also, keep in mind that no course setup can be completed until the frost has melted. The maintenance team will do everything possible to have play begin as soon as possible. As I have mentioned in previous newsletters we are upon leaf season. Cleanup is a slow process, the maintenance team is working daily to complete some sort of leaf cleanup. I would like to thank everyone for the positive comments and encourage all of you to fill out comment cards. This is an excellent way for us to hear your comments and continue to get better. As always I can be reached via e-mail at [rdurham@wildwoodgreen.com](mailto:rdurham@wildwoodgreen.com)

### Jeff Engelhaupt – General Manager

We have received a strong response from the membership on converting our current greens to bermuda grass and we have started to move forward with the early stages of the conversion process. I want to thank the members who have committed to becoming a champion in 2017 and beyond! If you have not already filled out your commitment form, please feel free to stop by the golf shop as we have extra champion club packets located on the golf shop counter. This is a great way to help us improve the course for many years to come and we appreciate your willingness to help and your loyalty to the club!

As hectic as this year was with the course situation and postponement of events, we are finally nearing the end of the tournament season this month. We have our last major event of the season, the Fall Member-Member, set for the 11<sup>th</sup>, 12<sup>th</sup> and 13<sup>th</sup> of November. If you haven't done so already, grab another member and sign up with the golf shop. This is always a fun event to play in with the match play format!

The fall time change is in just a few days and we will begin our winter schedule with regards to hours of operation and our social events. We have scheduled both Texas Hold 'Em and Bingo night events for you to participate in for the winter months and we will soon be releasing the 2017 event schedule.

We will begin to allow walking anytime starting on Monday, November 14<sup>th</sup>. We will be open on Thanksgiving Day with all play beginning as a 9:00 AM shotgun start. Please call in or book your tee time online.

On Tuesday, December 13<sup>th</sup> we will host our member holiday party and FINALLY give away the items in the golf shop you have been asking about. We have four computers, two printers, a luggage set, pots and pans and more to give away. Be sure to RSVP for the holiday party with the golf shop so we know how many people to plan for!

As we move towards the holidays we will again be announcing our employee holiday fund. As in years past any contribution made by you is greatly appreciated. The staff has worked hard this year to ensure that you have enjoyed your membership and the operation. The employee holiday fund is a great way to show your appreciation for the entire staff. We will soon place a gift box on the counter that you may place your donations in. Be sure to fill out a name and information slip so that we can send you a thank you after the season has passed!

Thank you again for being a member; you are truly what drives the operation!

### Mindy Glatfelter – Golf Shop Manager

October has been a very busy month with outings, member events and event schedule changes. Thank you to all the members for your patience during these past couple months. Don't forget to sign up your team for the Fall Member-Member which is being held on November 12<sup>th</sup> and 13<sup>th</sup>. This is most of the members' favorite event and I really look forward to seeing which team comes out on top. Good luck to all!

The ladies of Wildwood Green really know how to make golf fun out here. The WOW's participated in their annual Halloween costume 9 hole round. They all impressed me with their thought out costumes. On the next page you will be able to see pictures of their wonderful costumes. Not only did I enjoy the WOW's costumes I also was lucky enough to spend some time with the spouses of the Member-Guest teams at Relish Café. We enjoyed a wonderful luncheon while the players competed in the first round of the Battle at Ballybunion. We are all still trying to figure out how the illusionist completed most of his tricks.

The fall weather is here which means our fall apparel will be arriving soon as well. Be sure to stop in the golf shop later this month to check out the new men's and women's outerwear. These jackets will be much needed during the cool mornings. We have already received our winter caps, get yours before they are all gone!

Please email me at [mindy@wildwoodgreen.com](mailto:mindy@wildwoodgreen.com) if you ever have any questions.

### Zack Goldberg – First Assistant Professional

After a very hot and humid summer, it's great that the cool fall weather is upon us! October has been a very busy month of member and public outings. We appreciate the patience of the membership when it comes to booking Tee Times and understanding the importance of these events. The staff works hard to make every round as enjoyable as possible for every golfer here at Wildwood Green.

With that statement said, it is very important that we all understand the concept of playing "ready golf". Riding around on the golf course, I notice many golfers waiting in their golf cart watching other players hit their ball when their own ball is just a short distance away (possibly on the other side of the fairway). Instead of this, players should take a few clubs with them and walk the short distance to their ball while another player in their group is hitting. Also, when on the tee box, rather than sticking to the honor system, whoever is ready to hit should play their shot. Small changes like these in every group will have a major impact on the pace of play.

The next time you play, be aware of your group's pace and try these helpful tips out! Please remember the professional staff here at Wildwood Green is always here to help in any way possible.

### Jennifer McLendon— Food & Beverage Manager

Well, I do believe the cooler weather is here. I am not a fan of cold weather but fall is my favorite time of the year. I can't believe it is November already before we know it we will be bringing in the new year.

Starting November 1<sup>st</sup>, we will be running soup special in Bogeys. We will alternate soup from week to week. Make sure you stop in for a steaming cup of soup. Also, I will be making the change to a quarter pound hotdog.

We still have a few more member events in November make sure you sign up for them. We are also having poker and bingo starting again this month.

With the Holidays, quickly approaching be on the lookout for seasonal baked goods at the counter, I mean since Erin is back I might as well use it to my advantage. Welcome back Erin!

I hope everyone has a safe, happy and healthy holiday season!

An ailing Arnold Palmer's roots in western Pennsylvania run deep, especially at Oakmont, where he remains the indomitable spirit surrounding the course that will host a record ninth U.S. Open. Palmer, who was nicknamed "The King," won seven major championships during his professional career, which spanned more than five decades. He won the Masters four times, The Open twice and the U.S. Open once. "We are deeply saddened by the death of Arnold Palmer, golf's greatest ambassador," the United States Golf Association said in a statement. "Arnold Palmer will always be a champion, in every sense of the word. He inspired generations to love golf by sharing his competitive spirit, displaying sportsmanship, caring for golfers and golf fans, and serving as a lifelong ambassador for the sport. "Our stories of him not only fill the pages of golf's history books and the walls of the museum, but also our own personal golf memories. The game is indeed better because of him, and in so many ways, will never be the same."

Born in Latrobe, Pennsylvania, in 1929, Palmer began his professional career in 1954 and quickly picked up his first Tour win with the 1955 Canadian Open in his rookie season, where his first-round 64 remained the best opening round of his career. He would go on to win 62 titles on the PGA Tour, the fifth-highest total of all time, and 92 including international and senior victories. He was PGA Player of the Year twice (1960 and '62), and the Tour's leading money winner four times, leading to total tournament earnings of nearly \$7 million. Nicknamed "The King," Arnold Palmer won seven major championships during his professional career: the Masters four times, The Open twice and the U.S. Open once.

Palmer won the Masters in 1958, 1960, 1962 and 1964 and is one of two champions -- along with Jack Nicklaus -- who are members of Augusta National. Nicklaus (six) and Tiger Woods (four) are the only golfers who have won as many or more Masters titles. He developed a rivalry and lifelong friendship with Nicklaus and Gary Player, and the trio eventually became known as the "Big 3". They won seven straight Masters titles among them from 1960 to 1966, and hit ceremonial tee shots together at Augusta National to signal the start of the year's first major. Palmer hit his first ceremonial tee shot at Augusta in 2007; Nicklaus joined him in 2010, and Player was added in 2012. But Palmer slowed down in 2016 and was unable to hit his ceremonial Masters tee shot, though he did take part in the ceremony. He also did not hold his traditional pre-tourney news conference for his own tournament at Bay Hill.

Palmer's first Masters victory was in 1958, the first year soldiers from Camp Gordon were offered free admission at Augusta and helped run the scoreboards. Palmer, with his charisma, won over the soldiers and just about everyone else, and "Arnie's Army" took root. For non-golf fans, Palmer may be best known for the drink named after him, after he ordered his favorite concoction of iced tea and lemonade at a restaurant. A woman overheard him, said she would have the same thing, and the "Arnold Palmer" was born.
