Vol. 40 No. 01

President's Comments

Happy New Year again. Since we are waiting for a new Fairway News editor to emerge (perhaps your 2020 resolution was to get more involved??), I will be brief. Welcome to our new Superintendent, Mr. Trevor Thorp. I had the pleasure of playing golf with him in December ... besides driving super-long and straight off the tee box, carrying his irons forever (e.g. hits his 9 iron 158 yards in the cold), putt-ing stone dead from long distance and never missing from inside of 15 feet, and getting up and down from everywhere, not to mention a chip-in birdie on the first hole he ever played at Whidbey Golf Club, I'd rate the balance of his game as average.

Thank you to our House Committee, specifically Pam Glach, for sponsoring a staff Christmas party ... I'd like to see this event grow in the upcoming years. We really have a hard-working staff and it was sincerely nice to celebrate with them.

In 2020: 1) I resolve to play more golf than I did in 2019 (I will channel my inner Tom Belew!), 2) I resolve to frequent the club bar and restaurant at least three times per week (including carry-over skins from when I am out of town), and 3) I resolve, along with your Board, to work hard to keep Whidbey Golf Club great!

Hit 'em straight, or hit 'em often.
