

## Great**LIFE** INITIATIVES

We are striving to create a new source of funding for Junior Golf Programs by using our unique connection to the golfing community. Chip In For Change offers GreatLIFE members and patrons the opportunity to support Junior Golf initiatives in our communities by giving (adding) a small amount to their monthly membership dues for this important cause.

### LIVE. PLAY. **EVEN BETTER.**

Our **EVEN BETTER** program includes daily range balls at all of our driving ranges, (8) Golf Clinics and (12) Fitness Classes  
OR

**EVEN BETTER PLUS** gets you all of the above PLUS  
GHIN Handicap, Locker Rental and Club Storage

## Great**NIGHTS**<sup>plus</sup> LIVE. **PARTY.** BETTER.

Twice per month, we will hold a member party at one of our Classic+ or Champion+ clubs. These party's include free beer and wine, appetizers, prize giveaways and other fun festivities, including live music, games and contests. There is no cost to attend, we just encourage you to bring a non-member.

We have partnered up with some of the best Kansas City businesses around to offer you, as a GreatLIFE member, amazing discounts and specials at their establishment. It's as easy as showing them your GL key fob at the time of purchase, and you will receive this special offer.
