Visit the website above and click on our "**waiver**" button to complete waivers online and in advance of your visit to Sky Zone. We do have a waiver station in park as well and waivers only take a moment to complete, are electronic only, and need completed by an adult over 18. All jumpers are required to have a Topeka waiver on file and they are good for one year. **Sky Socks** are also required at all times on the trampoline courts. They sell at the park for **\$2.99**, and are reusable while in good order.
