

CROOKED RIVER RANCH GOLF COURSE
GOLF COURSE MAINTENANCE and TRAIL FEE AGREEMENT
(Golf Car Storage Unit Included)

This agreement is for the below named party for the privilege of golf car storage and/or golf course/cart path maintenance (Annual Trail Fee) on the Crooked River Ranch Golf Course. We strongly advise you to check with your insurance agent for assurance that your policy covers your golf equipment and your liability. In part, consideration of storage afforded by the Golf Storage Building at Crooked River Ranch, Crooked River Ranch Club and Maintenance Association and its staff, are released from any responsibility for loss, theft, fire, flood, or any other type of damages to golf clubs, bags, pull carts, gas carts or electric carts, and any other equipment. This document specifically releases the above named from any liability which might be sustained while equipment is in the storage building. The equipment owner expressly waives all rights of subrogation that any insurance carrier may claim in the future for damages or loss paid by it.

Golf car owners, not utilizing a golf course storage shed, may pay \$110.00 annually or \$15 per round for CRR property owners, \$125 annually or \$20 per round for non-property owners. **Individuals, other than immediate family, using others' privately owned golf cars, will be charged the current daily trail fee** as approved by the board of directors.

Please Note: Cart storage units are non-transferable and non-refundable with the sale of your golf cart.

Gasoline storage containers are NOT allowed in the storage shed
All carts must be fueled outside of the storage facility.
