Message from Club President Don McAndie

Thanks to everyone who participated in the voting of the new Board members. Congratulations to Bob Butler, Eric Yundt and returning member John Warness. A huge thank you to Dwayne Craft for his service on the Board and the tremendous amount of volunteer hours and projects he has contributed to La Grande Country Club over the years.

A group of members brought a proposal for playing time equality. After much discussion it was decided they would be given an answer by the next board meeting. A committee was formed to investigate the proposal and make a recommendation to the Board and the membership.

Thank you to the Ladies Association for the new flower pots and deck umbrellas. It is a very nice addition.

The following is a list of the various LGCC Committees and the Chairperson:

House Committee - Scott Fletcher (Chair) and Eric Yundt; Greens Committee - Jody Massey (Chair) and Rob Lane; Finance Committee - John Warness (Chair); Membership/Social Committee - Sharon Chaney (Chair) and Joleen Moeller; HR Committee - Bob Butler (Chair); Tournament Committee - Steve Anthony (Chair). Committees will meet once a month and make reports at each board meeting. If you are interested in being a member of a committee, please contact myself or one of the Committee Chairpersons.

The golf course is in fantastic shape get out and play!

Don

From The Desk of Dana Londin

Finally the weather has changed for the better, golf is happening. We held our first couples event May 23rd 30 couples came out for the fun. Once a month we will have a theme night and it will be based around food. June 13 is Mexican Food Night bring your favorite Mexican dish. Brent has finished the range barrier it looks great. If you find range balls laying in the 7th fairway please just toss them in to the driving range or leave them as we have had a couple balls hit into the neighbors' homes, we want our neighbors happy. The last music night was held in the upper clubhouse and went extremely well; all those that attended enjoyed it. Look for more music in the upper Clubhouse. Keep your eyes open for upcoming events on Facebook and email.

See you on the first tee

Ladies Association News from President Sharon Cheney

New pots and flowers have been purchased and planted. New umbrellas are also now in place and have added the final touch to the deck.

Next monthly Scramble and luncheon is June 7th. Scramble begins at 9:30, lunch served @ 12:30. Sign-up sheets are located on bulletin board. Cost for lunch is \$9. Guests are always welcome, just let us beforehand.

Birdies for the Birdie tree are located in the upper left basket under the bulletin board.

From Stuart Smart, Director of Instruction

By now we have opened the Junior Players course and it looks great. Brent has done a wonderful job creating a golf course like atmosphere to help the younger players. Special thanks to Scott Fletcher for the signage on the tee boxes.

The next Chix with Stix Session will start June 14th at 6 pm. There are still openings if you wish to sign up call the golf shop. This is a series of six one hour sessions including on course transition and course management.

Tip of the month: Set up a plan that would fit the score you wish to play. Par on the score card is not your par. That is for pros or better amateurs. If you are trying to shoot a ninety try to get on the green in one less than par and two putts. That would minimize your blow up holes. Be realistic on the shots you can execute. Setting a plan to play will lower your handicap and you will enjoy the game better.

Don't fight yourself take a lesson,

Stuart
