Around the World*

Spring, 2024

Dear International Golfers,

This letter explains the procedure for participating in the 2024 World Senior Golf Championships to be held August 22-August 30, at the Hyatt Tamaya Resort & Spa, in Santa Ana Pueblo, New Mexico, just outside of Albuquerque.

The original deadline for entries was May 1, 2024, but that deadline has been extended to June 1, 2024.

I'd like to explain some changes to the entry process this year.

1. **PAYMENT: You will not need to send me your credit card information.**

You will email me your entry forms, and I will email an invoice for the amount of money that you owe. The invoice will come from Invoice@Authorize.net. Please check your spam folder in case the invoice doesn't show up in your Inbox. Click on the link, enter your credit card information, and click "Send". Once you pay, you will receive a digital receipt confirming payment. Fees must be paid by credit card in U.S. funds using Mastercard, Visa, or American Express. This new payment system is done through Chase Bank and is very secure. Authorize.net is a Visa owned company, so the transactions are encrypted end to end. This process will save you money on your entry fees!

2. Inside the back cover of the invitation, you will see a list of "**Important Information to Remember**", including a checklist of what you need to do to be officially entered. I recommend that you post this in an obvious spot at home.

3. You will be making your room reservations directly with the hotel. You will not be fully accepted into the tournament until your Entry Cards and payment are received, and your room reservation is confirmed, but you do not need to send me a confirmation. I'll have access to the room block online. The "Room Reservation Information Card" provides the details. Please use the website listed on the card or use the code WSGC if you call the provided number.

Something new is that the \$10 resort fee is included in the price of the

room that you will see on the website. Tax will be added on at the end of your stay.

4. You will see two cards in addition to the entry card.
 - a. The "**International Card**" has a line for your handicap index, your GHIN#, (if you have one), a website and number or code where your handicap can be verified if you don't have a GHIN#, and any Dietary Restrictions or Allergies. You will also see a comment about your wife or guest filling out a separate card.
 - b. The "**Practice Round Partner Request/Extra Practice Round Request Card**" is for you to request your practice round partner(s) and to request any extra golf prior to the practice round.
 - c. The "**Ladies/Guests Entry Card**" allows your wife/guest to provide helpful information. This is also where your wife/guest will register for the Ladies Golf Tournament and ask for extra practice rounds prior to their tournament for a cost of \$99 paid at the Pro Shop. This year, all ladies' golf will be a scramble format as requested by the ladies.

Please let me know if you have any questions. I'm looking forward to seeing many old and new faces this year!

Sincerely,

Dianne Yelton
Executive Director of the World Senior Golf Federation
