GOLF SHOP MERCHANDISE

The Bentwood Golf Shop strives to provide Members and their guests with a variety of top of the line golf merchandise at very competitive pricing. We stock men's, ladies, juniors and children's apparel, as well as, gift items for your favorite golfer!

SPECIAL MEMBER PRICING PROGRAM

Exclusively designed for Bentwood Country Club Members and Sister Club Members, all items in the Golf Shop are priced at manufactures suggested retail and a Members price, which is 15 – 20 % off. Another added value to your Bentwood Membership!

CUSTOM CLUB FITTING

The Professional Golf Staff of Bentwood Country Club have been trained in the advanced technology of custom club fitting. Equipment is a key component to developing a repeatable technique. Studies indicate and we believe that a properly fit set of clubs can improve your golf game by as much as 30%! We have the ability to custom fit irons, wedges, woods and putters. With the use of a launch monitor to evaluate a person's ball flight, spin rate, face angle and club head speed we can properly fit players to the correct clubs.

CLUB REPAIR

Bentwood Country Club provides state of the art club repair services. We have the equipment and expertise to improve the overall aesthetics for any club in your bag.

Services Include:

<i>Re-Gripping</i>	<i>Re-Shafting; Steel or Graphite</i>	
<i>Lie/Loft Adjustment</i>	<i>Length Adjustment</i>	<i>Golf Club Weight Adjustment</i>

GOLF COURSE PROPERTY

- The golf course is considered private property. We do not condone any person or vehicle to travel on any portion of the golf course without prior approval. Any individuals, vehicles or homeowners that cause damage to the golf course will be held liable and billed for damages.*
- The golfer is responsible for the flight of their golf ball and any damage it may cause to homes, vehicles, etc. If you or a guest causes damage to any said property please notify the owner of the property as soon as possible.*

PETS & HOMEOWNERS

- Absolutely no pets on the golf course. Walking or running with your pet should be restricted to streets only. Your pet must be on a leash and any excrement from your pet must be cleaned up. Failure to comply with this will result in a call to the Humane Society.*
- Please respect the privacy of the homeowners and do not retrieve golf balls from private property.*

CLUB GOLF CART USAGE

- *No one under the age of 16 is permitted to drive a golf cart. The driver must have a valid driver's license.*
- *No more than two riders per golf cart, unless authorized by the Professional Golf Staff.*
- *Golfers are responsible for observing the daily cart rule.*
- *Carts are to remain on the cart path at all tees and greens and Par 3's.*
- *No more than three (3) carts allowed in each group.*

PRIVATE CART USAGE

- *You must be a Bentwood resident to own or operate a private cart.*
- *The Golf Professional Staff must inspect all carts that are brought onto golf course property.*
- *The cart owner will be responsible for all repairs for their golf cart. If a Bentwood Country Club Employee assists in the repair of the cart - a charge of \$15 per hour for labor + any part charges will be added to your Member bill.*
- *No more than three (3) carts allowed in each group.*

PULL CART USAGE

- *Pull carts must have wheel width approved by Golf Shop.*
- *Pull carts are not allowed on tees, collars or shoulders of greens or in bunkers.*
- *Keep pull carts a minimum of five (5) paces from the green.*
- *Pull carts may be stored in Club Storage for a fee of \$36 per year.*

WALKING POLICY

- *Members and their guests may walk any time of the day, Tuesday – Sunday.*
- *Holidays – walking is permitted after 1:00pm.*
- *Walking will not be permitted in Club tournaments.*
- *All pull carts must have wheel width approved by the Golf Shop.*
- *Pull carts are not allowed on tees, collars or shoulders of greens or in bunkers.*

HANDICAP FLAG USAGE

Handicap flags are issued to Members who have an authorized letter from a physician or who possess a handicap parking pass from the Department of Motor Vehicles. The intent of a handicap flag is to allow a member who is medically impaired to have better access to their ball during play. Carts can cause significant damage to the courses if taken into places which are restricted. The handicap flag holder's cooperation is very important.

Handicap flags will not be issued on days that carts are restricted to path only. Handicap flag holders are asked to sign an agreement stating that they will follow these guidelines:

- *Flag will be flown on their side of the cart – easily visible.*
- *Flag will not be in effect when the cart is restricted to path only – any or all holes.*
- *Flag will not be loaned to another player.*
- *Flag gives privileges only to holder and not to the other player in the cart.*
- *When there are more than two handicap players in the same foursome – they should share a flag/cart.*
- *Member will follow the 90-degree policy at all times.*
- *Member will keep their cart on the mowed approaches to the green and will not put the cart within 10 yards of a green or on a green slope.*

For more information or to obtain a handicap flag, please contact the Golf Shop.

HANDICAPS

Maintaining an accurate handicap in accordance with the U.S.G.A. Rules is a personal responsibility. An accurate handicap is earned by posting a score (applying equitable stroke control according to your handicap) for all rounds of golf played.

A round of golf includes:

- *All 18-holes completed*
- *Two consecutive 9-holes regardless of dates played*
- *13 or more holes played*

(To arrive at your posting score when you play at least 13, but less than 18-holes, add to your cumulative score, adjusted according to your handicap, par for each remaining hole, plus the strokes you are entitled to for each hole, according to your handicap.)

Equitable Stroke Control (E.S.C.) is the U.S.G.A. formula for adjusting your score for posting and handicap purposes. (see chart below) Please post all scores in accordance with U.S.G.A. rules...all scores properly adjusted.

An “EGO handicap” hurts the individual and partner during team play. A “sandbagger” is unfair to their fellow Club Members and competitors. An accurate handicap is representative of an individual’s golf game. The Golf Handicap Committee, to ensure compliance with the U.S.G.A. Handicap System Manual, will monitor posting of scores.

All Members that were on the 2014 Handicap Roster will automatically be included in the 2015 Handicap Roster. The handicap fee is \$36 per person per year (billed annually in February). Bentwood Country Club uses the GHIN System for reporting handicaps. If you are a new Member or a new golfer and would like to establish a handicap, please submit at least five (5) 18-hole scorecards from Bentwood play and we will assign a handicap number to you.

At your request, we will provide you with an updated handicap card each month. Please see the Golf Shop for details.

PACE OF PLAY

- *The expected pace of play is 4 hours or less per 18-holes. Under CART PATH ONLY conditions, 4 hours 10 minutes per 18-holes.*
- *Be at the ball, ready to hit, when it is your turn. Every time.*
- *Mark the ball's flight with a background object.*
- *Note distance, yardage, and wind before reaching the ball.*
- *Think about club selection before reaching the ball.*
- *Take 2 or 3 clubs to the ball.*
- *Limit practice swings to odd lies. Let one practice swing do.*
- *Start moving toward ball immediately after it is hit.*
- *Study line of putt while others are preparing to putt.*
- *Limit search for lost ball to five (5) minutes. Hit provisional ball before searching (Rule 27).*
- *Consider other options for unplayable lie besides returning to spot of previous stroke (Rule 28).*
- *Invite others through when back up develops or hole opens up ahead.*

GOLF ATTIRE

Proper golf attire is required of all Members and their guests at all times. This includes all practice areas. Shirts with a collar and sleeves (mock collar accepted) are considered appropriate for men, if they are tucked in. Sleeved or sleeveless shirts are considered appropriate for ladies. All shorts, men's or ladies, must be hemmed.

Swimwear will not be permitted in the Clubhouse, on the golf course or on the practice areas. Non-metal footwear is required by all golfers on the golf course and practice areas.

ETIQUETTE

Please observe golf etiquette as set forth in the current "U.S.G.A. Rules of Golf" with a special notice to the following:

- *If a group fails to keep pace on the course and loses more than one clear hole from the players in front, they should allow the group following to pass or simply skip a hole to catch up.*
- *No player should play until the players in front are out of range.*
- *Players searching for a ball should signal the players behind them to pass as soon as it becomes apparent that the ball will not be easily found. They should not search for more than five minutes before doing so. They should discontinue play until the players following them have passed and are out of range.*
- *Players should, when the play of a hole has been completed, immediately leave the green.*
- *Players may not practice on the golf course.*

LOCAL RULES*

Play is governed by the U.S.G.A. Rules of Golf and its Decision Book and where applicable, by the following Local Rules. Conditions and definitions subject to changes and/or amendments by the Golf Professional and approved by the Board of Advisors.

Appendix I of the Local Rules and Conditions of Competition

In the 2014 – 2015 U.S.G.A. Rules of Golf

“The Tournament Committee may make and publish Local Rules for abnormal conditions if they are consistent with the policy of the governing authority of the country concerned as set forth in Appendix I to these rules.”

- 1. Out of Bounds: Defined by white stakes defining property lines. The nearest points at ground level define out of bounds. The inside edge of all streets, curbs of streets and fences bordering homes define out of bounds. A ball is out of bounds when all of it lies out of bounds. Rule 27.*
- 2. Water Hazards: Defined by yellow lines. A ball is in a water hazard when any part of it lies in or touches the lateral water hazard.*
- 3. Lateral Water Hazard: Defined by red lines. A ball is in a lateral water hazard when any part of it lies in or touches the lateral water hazard.*
- 4. Obstruction: Anything artificial, including sprinkler heads, control boxes, all cement cart paths, sewer manhole or drain covers are obstructions. When a player's ball is in a hazard the player may not, without penalty, take relief from an immovable obstruction within a water hazard. Relief 24-2B.*
- 5. Embedded Ball: A ball embedded in its own pitch-mark in the ground in any closely mown area 'through the green' may be lifted, cleaned and dropped, without penalty, as near as possible to the spot where it lay but not nearer the hole. The ball when dropped must first strike a part of the course 'through the green'. "Closely mown area" means any area of the course, including paths through the rough, cut to fairway height or less.*
- 6. Ground Under Repair: Enclosed white line areas define ground under repair. A ball is in ground under repair when it lies in or any part of it touches ground under repair. The line itself is ground under repair. Other areas of ground under repair, even though not so marked, include:
 - a. French drains (trenches that have sunk below the surface, may also be filled with small stone or the like)*
 - b. Newly trenched areas and sod seams*
*Rule 25-1. When in doubt of a ruling, play a second ball.**
- 7. Tree Wells: Relief will be given only from tree wells designed to hold water.*
- 8. A ball striking hi-line wires must be replayed. No penalty.*

9. *Yardage devices, measuring distance only, will be allowed during tournament competition.*

10. *Relief Procedure: Stance plus one club length from the following areas:*

a. *Pine Straw*

b. *All areas covered in granite*

11. *Bunker Rakes: The USGA recommends that rakes be placed inside the bunker where they are least likely to affect the movement of the ball. Rakes should be placed parallel inside the bunker approximately two feet from the edge.*

** as of 1/1/15*
