ISSUE ONE (FEBRUARY MARCH, APRIL)

BENTWOOD COUNTRY CLUB

Managers Corner

I wanted to take a moment and first wish everyone a happy new year and I hope everyone has a wonderful and prosperous 2017. Going forward I plan to keep the members informed by posting a management column in the e-news and bylines. This report will hopefully keep everyone informed and up to date on the goings on at our club. In the last 90 days, we have transformed many of the procedures in our club. We have gone green and paperless with 90% of our communication and billing to be more efficient and environmentally sound. In addition, we have undergone a complete accounting department restructure. We appreciate your patience as we have undergone these various changes to our club to more efficiently run the club.

I wanted to make everyone aware of whom the go to people are regarding our club operations as we have made some changes. In the Golf Department Brad Fluitt is the Department Head for both Golf Operations and Golf Course Maintenance. Courtney Nagel will be serving as the head of the Tennis/Fitness/Pool Department. Susan Connally will be serving as our Clubhouse Manager and I will serve as the overall manager and ownership representative for the Club and Housing Development. I know that through this transition that many members are eager to know where the buck stops and I want you to know that it stops with me. Please feel free to contact me at anytime with concerns or ideas related to our club as my door is open and I welcome all ideas to make our club the best it can be.

We have been through over three years of construction and upgrades and are looking forward to 2017 being a year with new structure, goals and a fabulous facility for all to be proud of. In 2016 we built our fitness center including the "Courtside Bar & Grill", rebuilt our tennis courts, and received and new roof and air conditioners for the Clubhouse. In this final phase, we will complete our kid fun zone. We appreciate your patience regarding all this construction and hope you are as excited about what these upgrades bring to our club.

In the first guarter of this year we plan to repair the pickleball courts and to start our last phase at the tennis/fitness area. The "Fun Zone" will have a full play set for small children, a 40-yard football/soccer field, full size volleyball court, half court basketball and an outdoor fitness training area. We are planning activities for children of all ages and their family in our new kid's "Fun Zone" for the summer. There has been a long range comprehensive operational and capital improvement plan put together to continue to improve the club experience with planned improvements scheduled every year.

In addition, we are planning a new menu and a full slate of events at the new pool cabana. There has been interest in forming a House Committee for those members interested, look to future E-news for more information and options to get involved.

We are extremely excited for the future of the club and new amenities we will be adding. We truly believe that we will have the finest club facility in West Texas and look forward to serving your club needs.

Sincerely,

Glol

Bentwood Tennis Spring 2017 Lesson Programming

JR. TENNIS LESSONS with QuickStart! Please contact the Pros to find the group that is right for you! 949-1534

Junior Tennis Lessons are designed for the beginner to intermediate-level junior tennis players ages 5-12 years. Participants can expect to learn basic stroke mechanics, coordination skills, keeping score, match-play, etc. This group teaches the FUNdamentals while keeping the kids entertained with fun and games. We use the USTA's popular QuickStart curriculum which scales down the court and uses pressure-less balls so kids can actually learn what it means to play tennis! Groups are structured by the ball type/court size, red ball, orange ball and green dot ball to coincide with the USTA Quickstart program. This better develops the players and during the groups they will be asked at time to be mentors to the younger players and get the opportunity to be challenged by the older players/ball type.
