### JUNIOR TENNIS LESSONS with QUICKSTART

Junior Tennis Lessons are designed for the beginner to intermediate level junior tennis players ages 5-12 years. Participants can expect to learn basic stroke mechanics, coordination skills, keeping score, match-play, etc. This group teaches the *FUN*damentals while keeping the kids entertained with fun and games. We use the USTA's popular QuickStart curriculum which scales down the court and uses pressure-less balls so kids can actually learn what it means to *play* tennis! We are restructuring the groups by the ball type/court size, red ball, orange ball and green dot ball to coincide with the USTA QuickStart Program.
