## Bentwood Tennis 2017 Spring Junior Lesson Programming

JR. TENNIS LESSONS with QuickStart!

Junior Tennis Lessons are designed for the beginner to intermediate-level junior tennis players ages 5-12 years. Participants can expect to learn basic stroke mechanics, coordination skills, keeping score, match-play, etc. This group teaches the FUNdamentals while keeping the kids entertained with fun and games. We use the USTA's popular QuickStart curriculum which scales down the court and uses pressure-less balls so kids can actually learn what it means to play tennis! Groups are structured by the ball type/court size, red ball, orange ball and green dot ball to coincide with the USTA Quickstart program. This better develops the players and during the groups they will be asked at time to be mentors to the younger players and get the opportunity to be challenged by the older players/ball type.
