BENTWOOD COUNTRY CLUB

LIVE • WORK • PLAY • CONNECT • BELONG

Bentwood Members,  
 Thank you so much for a great summer! The first summer of the Court-side Bar and Grill (the cabana as I still call it) was a huge success and it would not have been without all of the loyal members. I will miss all the familiar and friendly faces that the summer always brings. You make this job worth it in every way! Thank you all again for making my job easier and I hope the rest of your year is as great as the summer was!

Much appreciation and thanks,  
 Kamryn Cummings  
 Court-side Bar and Grill Manager

Members,  
I would like to thank all members and lifeguard staff for a great summer at the pool. From pool games to dive-in movies, families created a fun atmosphere that will make a lasting impression. Also, I would like to extend a huge thank you for the respect and patience our members along with the attentiveness of the lifeguard staff that helped create a safe and fun environment for all throughout the summer. Although the pool is closing, summers not over. Be sure to keep up with our social media pages as well as your E-news for updates on events being held on the multisport turf and Court-Side Bar & Grill.  
Thank you,  
Bryce Zak

## **BENTWOOD COUNTRY CLUB IN SAN ANGELO, TEXAS, GIVEN USTA'S HIGHEST FACILITY HONOR AS THE 2017 FEATURED FACILITY AWARD WINNER**

**WHITE PLAINS, N.Y., June 19, 2017** – The USTA has announced that the Bentwood Country Club in San Angelo, Texas, has been awarded the highest USTA Facility honor as it has been named the 2017 Featured Facility. The Bentwood Country Club is one of 12 winners in the 36<sup>th</sup> annual USTA Facility Awards program, which recognizes excellence in the construction and/or renovation of tennis facilities throughout the country. The Bentwood Country Club will be honored at the USTA Semi-annual Meeting at the Grand Hyatt Hotel in New York City on Sept. 4.

In the fall of 2016, Bentwood Country Club completed the addition of a brand-new 5,000-square foot Tennis & Fitness with six newly post-tensioned courts (seven total) and four resurfaced courts. A Courtside Bar & Grill was added along with a multi-sport turf field, track, soccer field, volleyball court, half-court basketball court and a children's playground. Bentwood and its pros have hosted all USTA-sanctioned tournaments in San Angelo since 1989 with an estimated economic impact of over \$14 million to the community over these years. Throughout the many years of spirited junior competition, Bentwood has produced 72 collegiate players.

"Great tennis facilities like the Bentwood Country Club help us to grow the game at the grass-roots level, and we are proud to recognize them for their ongoing impact on the sport of tennis," said Kurt Kamperman, USTA Chief Executive Community Tennis and the USTA National Campus. "The Bentwood Country Club has embraced many of our tennis initiatives and kept the sport at the forefront of its community each year."

To be considered for an award, facilities must be under the jurisdiction of a park and recreation department, an educational institution, a nonprofit corporation or be a private or commercially owned and operated facility that offers both USTA and public programming designed to help grow tennis.

Facilities were judged on the following criteria: overall layout and adaptation to site; excellence of court surface and lights; ease of maintenance; accommodations for players, spectators and press/officials; aesthetics; graphics (including the use of signs and landscaping); amenities such as casual seating for spectators, food services and social areas; and the facilities' participation in USTA programs.
