## Member Event Calendar

Your monthly calendars will start back up with your March Newsletter. This will be mailed each month until October for your convenience. The calendar is also available on line and copies are on the counter in the foyer.

## Sign up for outside Tournaments and Outings

Do you have a favorite charity that you would like to support? Many golf tournaments & outings will be held here at our club, Lee's Hill. Check out the bulletin board for upcoming Outing events and sign-up sheets. Remember these events are independent of your club membership and all entry fees will apply.

## Member Updates

Please take a minute to look over your statements and be sure all information is correct. If you have changed your home phone or cell phone or maybe even your email address over the last year, these are the kind of updates that we need to put into your member file and our database. Correct member contact information is the best way we can keep our members updated and informed. Email, call or stop by the clubhouse for any updates you may have.

Phone: 540-891-0111

Email: Cindi [csankey@leeshillgc.com](mailto:csankey@leeshillgc.com)

## Website updates

The website is always being updated. In order to get the newest information about the golf course and your member events go to the Calendar. For complete course conditions you can call the pro shop.

## Turf Talk

Seasonal winter weather has allowed us to continue trimming native areas throughout the course. All pond banks have been trimmed, as have strategic areas around greens and tees. Brush trimming on an annual basis alleviates the usage of herbicides in many environmentally sensitive areas. Keeping these areas trimmed, helps to improve overall aesthetics, alleviates shade and allows for an increase in photosynthesis and an improvement in turf quality.

Winter weed spraying is also underway. Annual bluegrass, fescues and a variety of winter broadleaf weeds are being eradicated on tees, fairways and roughs to eliminate competition in our bermudagrass areas. This will lead to improved turf quality that is more healthy and dense. Please remember to fill in divots and repair ball marks. These practices are especially important during the winter months as turf growth is at a minimum. In addition, responsible cart usage is paramount in order to minimize traffic damage during the winter.

Please remember to observe the 90 degree rule and avoid driving in wet areas. Many of these low spots in fairways and roughs will not dry out sufficiently to allow traffic until the growing season begins in the spring. We appreciate your patronage and are looking forward to seeing you soon!

**\*\*Take Care\*\***

**Fix ball marks, 90 degrees, Trash in cans  
Pick up used Tees**

## On Line Pre Registration Jr. Golf Camp

It's time to sign up for Jr. Golf Camp! This year, for your convenience, we have **On Line Pre Registration!** Visit our website and right from the home page you can pre-register your child. The camp dates, form and
