### Gift Certificates

As we move into the golf season, many of you will play in a member or outside tournament here at Lee's Hill. With these tournaments, **Gift Certificates** are given as prizes. These gift certificates all have an expiration date on them that is 6 months from the date of the tournament. It is extremely important that you are aware of the expiration date and use this certificate before it expires. Once the expiration date passes, the system purges the gift certificate and there is no way to reinstate it.

### Dress Code Beginning April 1st

Beginning April 1<sup>st</sup> the no denim policy will be enforced. Proper attire is required at all times while on property. While on the golf course, "soft spikes" or non metal spikes must be worn at all times. All shirts must have a collar. Neither jeans nor denim pants are allowed at any time. Your cooperation and support is appreciated

### Joggers, Walkers & Site Seers!!

The golf season is here and we are all excited. With it comes all the beauty that is a golf course! While we do appreciate our many joggers, walkers, dog walkers and site seer, we ask that they would use the community paths instead of the golf course cart paths.

### No Fishing!

While we understand the ponds are very attractive to those that like to fish, it is very dangerous to fish on a golf course. No Fishing is allowed and if you see anyone fishing, please report it to the Pro Shop. The Golf Course, Lee's Hill, accepts no liability to those that get injured while fishing on the golf course.

### Skirmish on the Hill

Starting April 7, Skirmish is back. Fridays 3pm. Call Pro Shop for sign up. Weather permitting. 540-891-0111. Please watch the on line calendar and the newsletter for any updates

### Golf Cart Covers

Now that we are heading into the Spring season, we will be removing all cart covers over the next few weeks. Please make arrangements to pick up your cart cover by calling the pro shop or stopping by the club.

### Tee Times

As we move forward and the season is approaching, it is extremely important for everyone to call when you have an update to the amount of players or you can't make it. When a tee time is made a slot is filled, this means no one can have that space. So for "no shows" or too many blocks this can be hurtful to the course and others that want to play. Whether it's to increase or decrease or to cancel, updates are appreciated by all.
