90 Degree Cart Rule: Important (please read)

At this time of the year, it is **extremely important** to enter the fairways at 90 degrees to the ball from the path in order to help not wear out the turf at the beginning of each fairway once leaving the tee box. We are noticing an abundance of wear in these areas and we want to avoid putting up ropes/signs in order to keep carts from damaging the turf further. Your help and attention to this matter is most appreciated

Master's Weekend Tournament, April 12-14

Turf Talk March 2019

Spring has sprung! Here's hoping for a more normal weather pattern than we have experienced recently. Thus far in 2019 we are well above our average precipitation totals at 14". On the course we are currently wrapping up our Ronstar application on fairways and tees. This material is a pre emergent herbicide that will greatly reduce our grassy weed population this season.

We have also completed seeding thin areas on greens with a slit seeder. This machine cuts shallow grooves in the green surface and deposits seeds at a depth of a quarter inch. The increase in turf population will result in a quicker recovery as we move into spring growing weather. Tree trimming continues throughout the course, as does our winter project list. Next up will be pressure washing the clubhouse and tent deck area. When this is completed, we will begin our seasonal clubhouse landscape cleanup.

Landscaping beds on the course will also be cleaned up and re mulched. As the weather breaks, we look forward to seeing you often on the course!

John Burns, GC Superintendent

Dress Code Beginning April 1st

During the off season we have relaxed the denim policy. Beginning April 1st the no denim policy will be enforced. Proper attire is required at all times while on property. While on the golf course, "soft spikes" or non metal spikes must be worn at all times. All shirts must have a collar. Neither jeans nor denim pants are allowed at any time. Your cooperation and support is appreciated

Golf Cart Covers****IMPORTANT

It's Spring! Time to get those cart covers put away for the season. The Pro Shop needs everyone to pick up their covers. If your cover is not picked up the club *will not be responsible to any loss or damage*. Please make arrangements to pick up your cart cover by calling the pro shop or stopping by the club.
