Superintendents Revenge!!!!

Friday, November 2nd

What? We could not imagine what it must be like to try and take care of over 200 acres and make that the beautiful place we all know as, Lees Hill while battling the elements and creatures that think it's their home too! So John has agreed to share a bit with us.....hold onto your hats for the **Superintendents Revenge**. Let's support John and his staff for all of their hard work throughout the year and sign up to play in this event.

Friday, November 2, 10am Shotgun. Sign up will be in the Pro Shop. This has a \$25 entry fee, open to all and regular playing fees apply. Food, prizes and a few surprises. There is no regular play on this day. The course will be set up for Revenge only.

Glowball in October!!

Get your flash lights ready and your night shades out. A Glowball tournament is scheduled for Friday, October 26th. A Signup sheet will be in the Pro Shop.

Lee's Hill Senior League Season comes to a close

The Men's Senior League completed one of our most successful seasons in 2018. Undefeated at home, 1 away win and a couple close calls resulted in a 10-8 record. We had an enthusiastic group of 30 players enjoying themselves every Thursday from April till late August.

Next year we do it again so watch for updates and come join us. Open to all 50 and over members who like competition and playing other quality courses.

Thanks to all the staff at the club who supported us, got the course ready to play, kept the scoring and indulged us every match. Special thanks to all the players who kept the energy up all Summer and played as a team every week.

SPCA Donation Bin – One can at a time

Let's each just pick up one only one can of cat or dog food and put it into the bin in the Grill Room.

Many other items you have around your home that can be used:

Newspapers, Old or new clean

blankets, old towels, dog & kitty dishes. So far this year we have donated over 600lbs of dry dog food, numerous blankets, towels, leashes and dishes and newspaper. Even a few very nice doggie beds were donated. Thank you everyone and let's remember our furry homeless friends in the upcoming holiday season.

Holiday Gratuity

On your October 31st statement, which you will receive the first week of November; there will be a \$25 charge for holiday gratuity. This is a one-time charge that will go to the employees that have served you so well throughout the year and towards their holiday party. This is a totally voluntary charge and if you decide to opt out, just call Jamie or Cindi and it will be removed from your bill.

Winter League

Winter league will begin Friday, November 9th at Noon. Sign up by calling or stopping by the Pro Shop. Skirmish on the Hill will resume in April 2019.

Turf Talk

As we move into fall, our weather has remained warmer and wetter than normal. Winter kill areas continue to fill in with new turf throughout the course. We have applied extra fertilizer and additional sprigs to these areas to facilitate recovery by the end of the growing season. Our plan is to sod any areas remaining before cold temperatures preclude Bermuda grass growth for the year.

Growth regulator use is continuing on greens, tees and fairways to promote lateral shoot growth and enhance turf density. Weed spraying remains a priority as we continue to eradicate goose and crabgrass and have recently targeted nutsedge in the greens collars. All collars will be overseeded this fall after the edges have been treated effectively.

Greens aerification in early September helped to relieve soil compaction, promote root growth and improve nutrient uptake. Thin and bare areas on putting surfaces have also been seeded with Authority bentgrass to help promote faster turf recovery. This type of bentgrass is known for quick establishment and superior lateral growth qualities as documented in recent NTEP trials. (National Turf Evaluation Program, conducted by the USDA.)

Greens will continue to be treated for optimal recovery for the remainder of the season through a balanced fertility program and continued topdressings to promote recovery into bare areas. Bunker and yardage marker trimming are underway, probably for the final time this season as warm season turf growth begins to decrease. We hope to see you soon as we are set to enjoy some great fall golf weather!
