The Men's Senior League had an outstanding year
winning the MVSGA Championship against Fawn
Lake in a playoff match played at Greene Hills
Country Club.

We had big wins every week on our way to a 12-3-1
record. Over 30 golfers participated, everybody really
enjoyed themselves as we kept winning week after
week. Match play is a team sport and this year we
played as a team to beat some really good area clubs.
The trophy will be on display in late October in the
foyer.

Jamie hosted us for a luncheon to celebrate our
championship win.

Thanks again to everybody who played this year and
to the staff who helped make it happen. Next year we
do it all again.

Rick Gray, captain

Donation Bin for area Rescues

Let's not forget our furry little friends this holiday season. One can at a time. Could you just imagine if each person brought in one can of cat or dog food how much that would help the shelters. Towels, blankets, pet supplies, food dry or canned & newspaper. The bin to drop off your items is located in the grill. Thank you to all those that put stuff in the bin throughout the year.

Turf Talk

Turf Talk September 12, 2023

The oppressive heat that we experienced earlier in the month has passed. More seasonal temperatures are in the forecast thus allowing us to begin our greens restoration program. All greens were treated with curative rates of fungicide in addition to foliar fertilizers and biostimulants to bolster recovery of the existing turf. We were able to procure a Ryan Mattaway seeder to help with our renovation process. This machine is similar to the model we used 5 years ago that yielded excellent results. Our goal is to provide satisfactory seed, soil contact thus ensuring optimal germination. During the greens grow in, we will be aerating with solid tines to provide additional germination capacity and fertilizing as necessary to maximize turf density.

On the personnel front, I am happy to announce that Jerome Dodson has joined the Maintenance Staff here at Lee's Hill. Jerome, an industry veteran with a wealth of experience will be instrumental in the recovery of the greens and the overall improvement of the course. His latest stint was a facility renovation project in North Carolina.

We look forward to seeing you on the course as conditions improve!

Joggers, Walkers & Site Seers!!

Fall foliage will be in bloom very soon. With it comes all the beauty that is a golf course! While we do appreciate our many joggers, walkers, dog walkers and site seer, we ask that they would use the community paths instead of the golf course cart paths.
