Dress Code, Relaxed Denim in Effect

With the Winter Rates going into effect, Lee's Hill Golf Club will be "relaxing" the Denim policy. While on the golf course, "soft spikes" or non metal spikes must be worn at all times. All shirts must have a collar. Your cooperation and support is appreciated.

Gift Certificates

Do you have a gift to purchase and you don't know what to get? Come visit the Pro Shop and get them a gift certificate.

Turkey Scramble

Sunday, November 19th, 9 am shotgun. Format is four player scramble. Entry fee \$20. Weather permitting. Check with the Pro Shop for details and sign up.

Thanksgiving Hours

The course will be open for limited Thanksgiving Day hours. There will be a 9 am shotgun start. Pending no frost delay. All carts must be in by 2 pm.

Holiday Gratuity

In your October 31st statement there is a \$25 charge for holiday gratuity. This is a one-time charge that will go towards the employee's holiday party. This is a totally voluntary charge and if you decide to opt out, just call Jamie or Cindi and it will be removed from your bill. On behalf of the employees at Lee's Hill, Thank you.

For Friends & Family-Great Gift Ideas!

2018 Player's Pass

The 2018 Player's Pass & Range Pass are here and make a great gifts.

This **Holiday Season** Lees Hill Golf Club will have several ways for you to bring a little joy to someone in need. Whether you want to give toys, food, clothing, gift cards or pet foods, we think we have covered all the bases! Look for drop off bins, trees and collection bins for these charities:

Marine Corps Reserve "Toys for Tots"

For the 8th year we are proud to be a part of the "Toys for Tots" Marine Corp program. Please bring in your new unwrapped toys and place them into the box. The contents of the box will be picked up by the coordinator for the Toys for Tots program in

Mid-December. Box should be available mid-November.

Donation Bin for area rescues

Let's not forget our furry little friends this holiday season. One can at a time. Could you just imagine if each person brought in one can of cat or dog food how much that would help the shelters. Towels, blankets, pet supplies, food dry or canned & newspaper. The bin to drop off your items is located in the grill. Thank you to all those that put stuff in the bin throughout the year....you know who you are!

TURF TALK

As we enter November, the leaves are beginning to fall and the grass growing season is coming to an end. Overall the course is in good shape but as always we want it to be better. A dry Autumn was not good for seed germination on greens and collars, slowing recovery on the few greens that do not have 100 percent coverage. Turf is spreading into these areas however and hopefully will be completely filled in before Winter.

Due to the slow growth of all our grass this time of year it is even more important that ball marks on greens are repaired properly and that golf carts not be driven over the same areas repeatedly. Please help out by fixing several marks when on the greens and by avoiding worn bermudagrass with your carts.

The maintenance staff will be busy blowing leaves throughout November to keep the course as clean as possible. Please understand that on windy and wet days there may be little that we can do. Bunkers and sprinkler heads will be edged for the final time this year and we will be repairing irrigation leaks. If we receive some rain and temperatures remain moderate we hope to seed the target greens on the driving range and the collars for a second time. Brush cutting and tree removal is also planned throughout the Winter.

Currently I am reviewing what went right and what we can improve upon from this past season, as I am preparing a maintenance schedule for next year. Every year is different and challenging due to the weather, and changes are always made as needed, but it is good to have this guideline to be prepared. There are several projects and improvements that we are discussing, and hope to fit within our budget. A new equipment lease will begin in 2018 which will provide us with an even better and more dependable fleet, vital to the care of the golf course.

Thank you, Brian Roudabush
